

Being a column in which the publisher just "blows off the steam."

By Willard Jones

LITTLE JOE is a fellow in town who notices the little things.

The other morning he went up to a sad looking man and asked: "How are you this morning?"

"Oh, all right, I guess."

"Then why don't you notify your face?" he suggested.

LAST SUMMER one Nikita Khrushchev told an American television audience that Communism would win its contest with capitalism when the Soviet's per capita production of meat, milk and butter surpassed that of the United States, reminds Clinton Davidson, columnist.

He was reminding us that a nation is as strong as its agriculture, and he was acknowledging that the balance of power between Communism and the free world is in the hands of the American farmer.

The Communist bloc has a population of almost a billion people, nearly one-half of whom are farmers. But, the 30,000,000 American and Canadian farmers have the capacity to produce more than almost half a billion Communists.

Farm experts tell us that we are operating our agricultural plant at only about 75 per cent of capacity this year while producing an all-time record supply of farm products. Our capacity to produce is being expanded at a rate of more than five per cent a year. American production per acre is double that of Russia, and per farmer it is eight times the Russian average.

MANKIND is engaged in the great engineering feat of building lives. A mental survey shows man that directly ahead on his individual right-of-way lies many hills and valleys, all representing experiences either beneficial or harmful, pleasant or otherwise, that are to be encountered along life's road.

To follow the line of least resistance, to drift aimlessly forward with no fixed purpose in mind, is to take an up-and-down, zig-zag course that leads nowhere particularly, but is wasteful of time, energy and happiness. Those hills must be cut through, not skirted. Those valleys, perhaps representing human imperfections, need to be filled in by good, hard remedial effort ere the rails of our advancement are laid.

SUCCESS is defined often-times in terms of one's ability to make money—or to save it. An unknown author puts his estimation of success in these pretty words . . .

Success is speaking words of praise

In cheering other people's ways, In doing just the best you can. With every task and every plan. It's silence when your speech would hurt.

Politeness when your neighbor's curt.

It's deafness when the scandal flows.

And sympathy with others' woes. It's loyalty when duty calls, It's courage when disaster falls, It's patience when the hours are long.

It's found in laughter and in song; It's in the silent time of prayer, In happiness and in despair In all of life and nothing less We find the thing we call success.

GOVERNMENT agents in Indiana impound the two tractors that a farmer owns. In Michigan, they tie up a farmer's \$3,400 bank account. Two Oklahoma ranchers are hauled into court in Dallas and sued for \$502.

What crimes did these men commit? They planted wheat beyond the 30-acre limit, to feed their own stock, without a government permit or allotment.

Government agents aren't to blame—they're only enforcing a law that Congress passed. Nevertheless in this land of the free such events seem incredible! How ridiculous can a law get? asks the Farm Journal. When the lawmakers return in January, let's hange it.

ASSORTED KINDS.

A visitor to a hillbilly region rapped at a door and asked to buy some "corn likker."

"What kind do you want," asked the mountaineer, "courtin' likker or fightin' likker?"

ADDING COLOR AND FANFARE to the Stamford-Hamlin football game Friday night at the Pied Piper stadium was coronation of Ginger Rabjohn, daughter of Mr. and Mrs. G. H. Rabjohn of Hamlin, as Pied Piper Band Sweetheart. Elected as the band favorite by the bandsters, Miss Rabjohn had just been crowned and was being congratulated by Superintendent of Schools C. F. Cook in the picture above, taken at the ceremonies between halves in the grid game.

10,228 Area Acres Placed in Soil Bank

With the deadline passed to apply for 1959 conservation reserve contracts, Jones County Agricultural Stabilization and Conservation Committee Chairman R. G. Rowell reports that a total of 108 farmers have filed applications to place 10,228 acres of land in this soil bank program.

Following an analysis of the applications as required by soil bank regulations, including a physical check of farms for which cropland has been offered for the program, successful farmers will be notified that 1959 conservation reserve

contracts are available for signatures. Farmers also will be notified in cases where applications cannot be accepted, usually because of insufficient funds.

The farmer who is offered a conservation reserve contract will have 15 days from the mailing date of the notice to sign his contract at the county ASC office. The contract will obligate the farmer to keep specified land on his farm out of production and under conservation practices for a period of up to 10 years. In return, the farmer earns an annual rental payment and receives a share of the cost of the conservation practices.

Chairman Rowell said that, while national totals are not yet available, the preliminary reports from certain areas of the country indicate heavy participation in the 1959 conservation reserve. Three states which had early closing dates for receiving applications report that acreage offered by farmers was much in excess of the established goals. Both Utah and Missouri received offers for about three times the amount of cropland they could accept. Wisconsin, with a goal of 439,000 acres of cropland, received offers of nearly 580,000 acres.

Business on Quiet Side in City Tuesday

Business activity in Hamlin was on the quiet side Tuesday as most firms were closed for the day in observance of Veterans Day as a legal holiday. Veterans Day is one of six designated holidays approved first of the year by a vote of the business establishments and professional men of the city.

Hamlin schools did not observe the day, inasmuch as a long holiday period is planned for Thanksgiving, explains Superintendent of Schools C. F. Cook.

Ministerial Alliance Makes Plans for Union Thanksgiving Service Nov. 26

Plans were made Monday morning at the monthly meeting of the Hamlin Ministerial Alliance for the annual Union Thanksgiving service, which will be held at the First Methodist Church on the evening of Wednesday, November 26, at 7:30 o'clock, according to Rev. Calvin Bailey, president of the ministers' group.

No mid-week service will be held at the various participating churches that week, but a combined special program is scheduled, as in recent past years.

The program as tentatively arranged Monday follows:

Prelude by Organist Mrs. Brad Rowland Sr.

Hymn, directed by Rev. Gene Moore, pastor of Faith Methodist Church.

Invocation by Rev. G. C. Henry, pastor of Calvary Baptist Church.

Anthem by the choir of the First Methodist Church, directed by Mrs. Willard Maberry.

Scripture reading by Rev. Edmund W. Robb, pastor of First Methodist Church.

Hymn.

Offering for the alliance's trans-

sient fund, directed by Rev. Calvin Bailey, pastor of First Baptist Church.

Special music by Rev. and Mrs. Gene Moore.

Message by Rev. R. T. Jarrell, pastor of Church of the Nazarene.

Hymn.

Benediction by Rev. John Holland, pastor of Foursquare Gospel Church.

Skelly Oil Test East of Sylvester Completed

Skelly Oil Company completed its No. 1-B McCain oil test as a producer two miles east of Sylvester and nine miles southwest of Hamlin in the Sylvester (Goon) Field this week. It is in Section 48, Block 1, H. T. & B. Survey.

Daily potential was 93.04 barrels of 44.3-gravity oil, flowing through a quarter-inch choke with 200 pounds pressure on casing and 75 on tubing. Flow was from 32 perforations at 5,392-5,400 feet. Casing was set at 5,448 feet, total depth. Gas-oil ratio was 790 to one.

Hamlin Negro to Be Tried For Alleged Rape Attack

Voters of County Approve Four of Nine Amendments

Habit of Jones County voters not participating very strongly in general elections of the past held true last Tuesday when only about 1,700 of the possible 5,000 potential voters went to the polls.

Those who did go to the polls gave Democratic nominees for governor and senator the nod by big majorities and turned down five of the nine proposed amendments to the constitution. Amendments No. 3, 4, 8 and 9 carried in Jones County, the latter by only three votes. All but the first, two amendments on the slate carried in the state as a whole, these being against annual sessions of the Legislature and pensions for county employees.

For governor, Price Daniel was given 1,619 votes to Mayer's 81 by Jones County voters. In the Senate race Ralph Yarborough got 1,467 and Whittenburg 180.

The Jones County candidate for commissioner of agriculture on the Republican ticket, Grover C. Carothers of Stamford, carried his home box 120 to 115, but received only 246 votes in the county to White's 1,409.

Some 3,378 votes were polled in the July primary election in Jones County.

County vote on the amendments was as follows:

1. Annual Sessions: For 394, against 999.
2. County Pensions: For 367, against 1,008.
3. Filling Vacancies: For 926, against 471.
4. Candidate Eligibility: For 708, against 627.
5. City Elections: For 511, against 839.
6. Ranger Pensions: For 582, against 827.
7. State Advertising: For 553, against 742.
8. Medical Payments: For 791, against 664.
9. Hospital Districts: For 675, against 672.

Final tabulations by the Texas Election Bureau on the state vote on the amendments follows:

1. Annual Sessions: For 173,518, against 885,537.
2. County Pensions: For 216,991, against 313,188.
3. Filling Vacancies: For 390,045, against 159,806.
4. Candidate Eligibility: For 360,151, against 187,156.
5. City Elections: For 281,481, against 240,118.
6. Rangers Pensions: For 324,500, against 211,528.
7. State Advertising: For 277,903, against 258,013.
8. Medical Payments: For 333,139, against 213,853.
9. Hospital Districts: For 288,758, against 230,035.

REALLY TURNED AROUND—Two colored men, L. C. Thomas, 34, and Alvis Rucker, 17, driving west of Hamlin late last Friday about seven miles out, decided to turn around and head back for town. But Thomas, who only recently had purchased the 1958 Mercury with money received from insurance on the loss of his right leg below the knee, cut the car too sharp. The car flipped completely over on its top, as shown in the picture above. The men were only shaken up a bit. Pictured are (left to right): Rucker, State Highway Patrolman Walter Lee Wood of Roby, Benney Watson (in background) and Thomas.

Special Recognition Given to 4-H Club Youths at Banquet

Balloting for Six Directors of BDC Being Conducted

Voting on six new directors for the Hamlin Board of Community Development was underway this week among members of the civic organization as ballots sent out by mail were being marked for tabulations. The six to be named to the board of directors will serve three-year terms for the years 1959, 1960 and 1961, it is pointed out by BCD President Carl Murrell.

The ballots are due to be turned in by Friday, November 14.

Seventeen names are on the ballot for checking by members of the BCD. The names were selected by a nominating committee named several days ago by Murrell.

On the ballot are the following nominees: Arlie Cassie, Bill Foster, Lester Minton, Mrs. C. R. Reynolds, Joe Simpson, Mrs. Jess Young, L. R. Witt, Doc Sims, Bill Harbert, Rev. Calvin Bailey, Mrs. Billy Joe Wilson, Aaron Wells, Frank Bayouth, Jim H. King, L. R. Riddel, Fred Smith and Jimmy Simmons.

missionary tour in Honduras, Central America, will be related Sunday evening at 7:00 o'clock at the Hamlin Assembly of God Church by Ben H. LaFon, pictured above, who is home on a furlough from his mission field.

RODGERS HAVE GUESTS.

Mr. and Mrs. James Rodgers and children of Fort Worth, Mr. and Mrs. Ellis Posey and children of Lubock visited their parents, Mr. and Mrs. Edd Rodgers, at Hamlin over the week-end.

Annual Gold Star Awards Presented Anson Youngsters

More than 200 4-H Club boys and girls of Jones County, adult leaders and sponsors and several invited guests attended the first annual 4-H Club achievement banquet, Saturday evening in the high school cafeteria at Anson.

Following the banquet, feature of the program was the awarding of 49 special awards to members of the 4-H Clubs of the county. Gold Star awards, highest given on the county level, were presented to John Mitchell and Judy Simmons, both of Anson.

Following the invocation by Bill DeBusk, musical numbers were provided by Birger Haterius. The opening ceremony was presented by Barbara Shuquist. Welcome

Booster Club Will Sponsor Caravan To Anson Grid Tilt

Pied Piper Booster Club will sponsor a caravan of fans to the county seat Friday night for the final football game of the year between Hamlin and Anson, it is announced by Duane Stallcup, president of the booster group.

All football fans are requested to meet in front of the high school not later than 6:30 o'clock to have their cars decorated by girls of the High School Pep Squad.

After arrival at Anson, the Pied Piper football fans will meet at the southwest corner of the Anson football field to escort the Piper team onto the field shortly before the start of the game.

"Everyone is requested to participate in giving the Pipers a big send-off in their final game of the year," says Stallcup. "This certainly will be a game that all will want to see since it will be a feature of the Anson homecoming, and both teams are pretty well matched. We believe it will be a hard fight all the way for both squads. So we urge all fans to get behind the Pipers and show them your support and appreciation for one of the finest sports in America today."

Indictment Made By Grand Jury At Sweetwater

Nolan County grand jury last Wednesday afternoon indicted on a charge of rape a 44-year-old Hamlin negro in connection with an attack on a 72-year-old Sweetwater white woman at her residence north of town on the night of August 28.

Held in Nolan County jail since August 30, Robert Shelton Jr. a few days later was charged before Justice of the Peace Leonard Teston. The case against Shelton is circumstantial.

District Attorney Eldon Mahon said Wednesday night that, although the woman he is accused of raping has seen Shelton, she has not identified him as her attacker.

"I think it is impossible to rher to identify anyone as the actual attacker," Mahon said.

He added that the description the woman gave of the attacker fits Shelton, since she has always described him as a dark complexioned man who could be a negro.

When she talked to officers shortly after the attack, the woman had described him as about 30 years old, five feet 11 inches or six feet tall.

The attack occurred at night, however, and the only light in which the woman ever saw her attacker was in the moonlight.

Shelton was arrested at Longworth, southwest of Hamlin, by Fisher County officers.

On August 30 Shelton underwent a lie detector test at Lubbock along with another suspect being held at that time in connection with the same investigation.

Shelton told officers at Sweetwater that he had been released from California state prison a short while prior to his arrest at Longworth.

Trila of criminal cases in the Sweetwater district court is scheduled to begin November 17.

Who's New This Week

Mr. and Mrs. Lawrence Cook of Post are announcing the arrival of a daughter November 11. Lisa Kim weighed six pounds eight ounces on arrival. Grandparents are Mr. and Mrs. C. F. Cook and Mr. and Mrs. Travis Hubbard, all of Hamlin.

The stork has been kept busy at Hamlin Memorial Hospital since last week's report in The Herald. He delivered seven new citizens, four of whom were boys and three girls. They were—

A boy for Mr. and Mrs. Franklin Kiker of Snyder was born November 1. Weighing in at seven pounds eight ounces he was assigned Stephen Wayne as a moniker.

A boy for Mr. and Mrs. Wayne Varborough of Aspermont arrived November 4. Steven Kelly was given as a name to the seven-pound four-ounce lad.

A girl was born to Mr. and Mrs. C. L. White on November 4. The five-pound 15-ounce little miss was labeled Cindy Lou.

A boy for Mr. and Mrs. Presto Gardner of Swenson on November 4. Weighing six pounds 12 ounces the fellow had not been named a copy time.

A girl arrived for Mr. and Mrs. H. L. Mehaffey of Hamlin on November 5. Tipping the scales a light four pounds 12 ounces, she had not been named as copy time.

A boy for Mr. and Mrs. Santiar (Jimmy) Trevino of Anson on November 6. Lightweight of the new arrivals at three pounds 12 ounces, no name had been assigned as copy time.

A girl was born to Mr. and Mrs. J. J. Parsons of McCaulley on November 7. The eight-pound 14-ounce lady was named Kathree Lanell.

HOW BOUT THAT

INSTEAD OF SUPER CUT-RATE DRUGS, THAT SIGN OUGHT TO READ SUPER CUT-THROAT!

I WAS WATCHING THE CLOCK, BUT NOW I'M KEEPING TIME BY THE CALENDAR.

HEAVEN'S! THAT'S 5 TIMES THAT CLERK TOLD ME TO 'COME BACK A LITTLE LATER'! BY THE TIME WE GET THAT PRESCRIPTION FILLED, I'LL NEED CORN-PLASTERS!

COME ON! LET'S GET OUR PRESCRIPTION BACK, AND HAVE IT FILLED BY OUR RELIABLE DRUGGIST AT HOME IN HAMLIN

ELECTRICAL APPLIANCES

THE FARMERS HAVE A RIGHT TO CHOOSE PLAN

Have you ever voted "socialist?" Some of
 you farmers may have without realizing it,
 though the party label may have said Demo-
 crat or Republican, observes the Farm Journal.

Not many farmers are socialists. Yet large
 numbers of farmers find the rest of us must
 unwittingly have been voting that way. The
 evidence appears in the fact that our govern-
 ment has gone so far down that road. We
 who elect the Congress and the president must
 be the responsible persons.

Socialism means government ownership and
 management of production and distribution.
 Obviously we haven't gone all the way, but
 just as obviously that's the direction we're
 heading.

Not all socialism is necessarily bad. Of
 course, there are services that all of us want
 government to handle for us. The question is
 how much of it we want. The trend is for
 more and more.

If we want the government to fix and con-
 trol prices, to be in businesses that private
 enterprise can run better, to take more and
 more from those who work and earn and give
 it to the less industrious, to make it harder

for the thrifty to provide for themselves, to
 assume more of the powers that belong to
 states and counties, to spend ever vaster sums
 of money, go deeper into debt and cause our
 dollars to shrink further in value... then we
 do want more socialism. And we will get it,
 because these are things some politicians like
 to do.

Also, we shall get ever heavier taxes, ever
 greater deficits and steadily advancing infla-
 tion.

If voters show that the majority seems to
 prefer men in Congress who vote consistently
 for bigger spending, more give-aways at home
 and abroad, and more federal power, two years
 from now more of the candidates in both
 parties will be running on socialistic platforms.

On the other hand, if the public gives its
 support to those courageous and wise leaders
 who have fought against bigger spending,
 who have fought for the rights of people to
 govern in their own states and localities, the
 trend to socialism may be slowed up.

A socialist-United States will no longer be
 the land of opportunity and will not forever be
 even a land of security.

RECALLING Other Years

☆ Being news items taken
 from old files of Your
 Home - Town Newspaper,
 The Herald.

THIRTY YEARS AGO

In checking over our early day
 files of The Hamlin Herald we
 find the following items of inter-
 est taken from the issue dated
 November 16, 1923:

Featured at the Mutual The-
 ater this week-end is Irene Rich
 in "Powder My Back" and the
 last episode of "Mark of the Frog."
 The Ladies' Shop advertises
 ladies' coats at \$9.95 to \$29.75;
 Marcy Lee house dresses at \$1.79;
 ribbed lisle hose, 49 cents.

Superintendent and Mrs. C. G.
 Green entertained members of the
 faculty of Hamlin School at a
 Halloween party Wednesday night
 in their home on Hop Avenue.
 Attendees included Misses Por-
 ter, Garner, Roberts, McCandless,
 Eddington, Cogswell, Gladys Row-
 land, Lila Milstead, Nella Black,
 Merlyne Musick, Ouida Evans,
 Gladys Davis, Ruth Kemp, Ruth
 Wilson, Lois Bradford, Thelma
 Switzer, Beatrice Childers and
 Mmes. Green and Rowe; Messrs.
 Green, Brown, Rowland, Isbill,
 Clyde Huff, Denman Morgan, R. N.
 Fairley, Howard Greenway, Cleve
 Griffin and Spurrel Ellison.

Jessie Lee Mowery of San An-
 gelo is spending this week as a
 guest of Ione Kirkland.

TWENTY YEARS AGO

Among items of interest in the
 Hamlin community 20 years ago
 were the following, reprinted from
 the issue of The Hamlin Herald
 November 11, 1933:

Evangelist Horace W. Busby of
 Fort Worth will begin a series of
 gospel services at the Hamlin
 Church of Christ Friday night.

Hamlin Future Farmers of Amer-
 ica chapter members were hosts
 last Monday night to their dads
 at a banquet at the Morgan Hotel.
 M. B. Templeton is advisor for
 the group of boys.

Monday morning a blanket of
 snow covered the Hamlin territory
 to convince any doubters
 that winter has come.

Mrs. J. D. Greenway and little
 son, Don, of Peecos came last Sat-
 urday to spend a week with their
 parents and grandparents, Mr.
 and Mrs. O. K. Wilson and Mr.
 and Mrs. Carl Greenway.

Hamlin Masons will entertain
 Masons of the district Monday
 evening in the local lodge hall.

TEN YEARS AGO

News items of interest in the
 Hamlin community 10 years ago
 included the following, reproduced
 from the issue of The Hamlin
 Herald dated November 11, 1943:

Colorado City Wolves defeated
 the Hamlin Pied Pipers 19 to 6 in
 their third conference football
 game of the year Friday night.

J. H. Foster, chief of police in
 Hamlin, acting on a hunch last
 Thursday night, arrested Thomas
 Henderson, former Hamlin resi-
 dent recently released from the
 state penitentiary at Huntsville,
 in possession of a stolen pick-up
 which he had taken from F. A.
 Durham of DeKalb the day be-
 fore.

Betty Maynard, 17-year-old girl
 of the Neinda community, died
 in an Abilene hospital early Sun-
 day morning from injuries sus-
 tained two hours earlier in a car
 wreck 14 miles south of Abilene.
 She was accompanying Marvin L.
 Mantooth, 18, of Abilene, when
 their car overturned at the inter-
 section of the Coleman and San
 Angelo highways. She was the
 daughter of Mr. and Mrs. W. L.
 Maynard.

FIVE YEARS AGO

Goings-on in the community
 five years ago included the fol-
 lowing, as recorded in The Hamlin
 Herald dated November 13, 1953:

Due to recent rains and warm
 weather several fruit trees in the
 section have put out blooms, and
 weeds are again putting out.

Mrs. A. W. Knight, 34-year-old
 Hamlin woman, was killed last
 Friday night when the pick-up in
 which she and her five children
 and another woman were riding
 overturned west of Stamford on
 Highway 92.

ONE YEAR AGO

The following news bits were
 taken from the issue of The Ham-
 lin Herald dated November 14,
 1952:

Extension of the railroad con-
 necting with the Santa Fe line
 out of Hamlin at Presidio and
 onto Chihuahua is being plan-
 ned by Mexican government officials,
 who conferred with American offi-
 cials at Chihuahua last week. The
 line would be extended 16 miles
 to Aldama.

Woodrow Goodwin and Winston
 Gray, young men of the com-
 munity, are to be ordained in
 service Sunday at Fairview Baptist
 Church.

A. J. Castleberry, Former Resident, Dies at Seminole

Several Hamlin area relatives
 and friends went to Seminole last
 Saturday to attend the funeral of
 Amon Jasper Castleberry, 78-
 year-old former resident, of this
 area and brother of M. H. Castle-
 berry of Hamlin.

Castleberry died last Friday at
 his home in Seminole after a long
 illness.

Born February 14, 1880, in
 Nashville, Tennessee, he came to
 Texas as a young man. He came
 to the Hamlin section in 1908, and
 farmed south of town until 1920,
 when he was employed by the
 Texas Cement Plaster Company
 (now Celotex) mill, which place
 he retained until 1927. He moved
 to Seminole in 1927, and farmed
 there until his retirement several
 years ago.

Survivors include his wife, Mrs.
 Lena Castleberry of Seminole;
 two sons, Lewis Castleberry of
 Seminole and Stanley Castleberry
 of Sholow, Arizona; two daugh-
 ters, Mrs. Jack Harvey of Sea-
 graves and Mrs. Bonnie Pittman
 of Phoenix, Arizona; three sis-
 ters, Mrs. Betty Duffe of Caddo
 Mills, Mrs. Rosie Goble of Hous-
 ton and Mrs. Virgie Drennan of
 Stamford; and one brother, M. H.
 Castleberry of Hamlin.

CLIBURN MARCHES IN PROCESSIONAL—Famed young
 pianist Van Cliburn walks with faculty of Baylor University
 in Waco as group marches across the campus to convocation
 where the talented Kilgore musician received an honorary
 doctor of humanities degree. At Cliburn's right is Hilton
 Howell, Waco attorney, who is chairman of Baylor's board
 of supervisors.

FAVORITE CRONY.

Jones—"You did a favor for me
 10 years ago."
 Brown—"And you've come to
 repay me?"
 Jones—"No, I just got into town
 and need another favor."

MORE TO LEARN.

"Yes, I'll give you a job. Sweep
 out the store."
 "But I'm a college graduate."
 "Okay, I'll show you how."

Livestock Survey Being Made Over Rural Mail Routes

Postmaster Perry Sparks an-
 nounced this week that rural mail
 carriers will begin distributing
 December 1, 1953, livestock survey
 cards to patrons on their routes
 about November 20.

This annual livestock survey,
 which your post office and depart-
 ment of Agriculture cooperatively
 have made since 1924, provides
 basic information to the Texas
 Crop and Livestock Reporting Ser-
 vice in Austin for estimating the
 number of cattle, hogs, sheep and
 chickens on Texas farms and
 ranches.

In order that our area be well
 represented in the survey, Post-
 master Sparks requests that each
 patron receiving a card fill out
 and return it to his mail box for
 prompt pick-up. Rural mail car-
 riers working on this project are
 Ira A. Clements, Route 1; Harold
 Bonner, Route 2; and Jack Rus-
 sell, Route 3.

Visitor—"What's the matter?
 You look worried."

Farm Hand—"Work, work,
 work! Nothing but work from
 morning to night!"

Visitor—"How long have you
 been at it?"

Farm Hand—"I start, tomor-
 row."

Youths Registering Late

Some state draft boards are complaining
 that an increasing number of youths are re-
 gistering late under provisions of the selective
 service law. Colonel Morris S. Schwartz, state
 selective service director, reminded draft-liable
 men this week that it is their duty under the
 law to inform themselves as to the proper
 time to register.

Several misconceptions about the legally
 required time to register cause most of the
 late comers, Colonel Schwartz thinks. There
 is some belief among young men that they can
 wait until they are 18½ years old to register.
 As a matter of fact, the law requires that a
 man register on his eighteenth birthday or
 within five days thereafter. Colonel Schwartz
 pointed out that all males born since August
 30, 1922, are legally obligated to be registered
 under existing law, except those not yet 18.

Some young men think that membership in
 the National Guard or the reserves excuses
 them from registration, but it does not. If a
 young man joins the regular services for full
 time duty before he is 18, he does not have to
 register when he is 18 if he is still in service.

But when he gets out, the law requires that
 he go to a draft board and register within 30
 days. For example, if he joins the Army at 17
 and stays in 10 years, he must register for the
 draft at age 27. The law would not obligate
 him for further service currently, but it obli-
 gates him to register.

Nuggets of Thought

To me old age is always ten years older
 than I am—Bernard M. Baruch.

The past cannot be changed, the future is
 still in your power—Hugh White.

Life is a magic vase filled to the brim, so
 made that one cannot dip into it nor draw
 from it but it overflows into the hand that
 drops treasures into it—drop in malice and it
 overflows hate, drop in charity and it over-
 flows love—Ruskin.

In America we can say what we think, and
 even if we can't, we can say it any-
 how—Charles F. Kettering.

If you keep your mind sufficiently open,
 people will throw a lot of rubbish into it—
 William A. Orton.

If you have nothing else to do, look about
 you and see if there isn't something close at
 hand that you can improve! It may make
 you wealthy, though it is more likely that it
 will make you happy—George M. Adams.

The beautiful in character is a good
 soldier indelubly the links of affection—
 Eddy.

Don't Say: I Don't Care

"I don't care!" Four times within a week
 the writer heard those words. The very ex-
 pression, so commonplace in our conversation,
 is frightening.

First, they were spoken by a child selfishly
 demanding a better dress than her plainly
 garbed mother could obviously afford. To
 every explanation the child's answer was, "I
 don't care; this is what I want!"

Next, it was a parent summoned before the
 police magistrate for the misbehavior of a son.
 Asked whether he knew his boy's associates,
 he retorted, "I don't care who they are."

Then it was a husband confronted with di-
 vorce proceedings; and, lastly, a 27-year-old
 man facing the penitentiary for armed robb-
 ery. By willful deed, as well as by word,
 each of these was intent upon breeding heart-
 ache and disaster.

How often do we say, "I don't care," when
 some detail of our work demands closer at-
 tention than we have been giving it, or some
 responsibility in our home tries our patience?
 They are tragic words too lightly spoken, too
 quickly fatal.

Editorial of the Week

AFTERMATH IN HUNGARY.

Two years ago at this time the heroic and
 ultimately tragic events of the Hungarian revolt
 were taking place. Today the people of Hun-
 gary appear to have accepted their fate with
 resignation, at least for the present.

Yet it would be inaccurate to say that
 nothing has been changed by the grim sacri-
 fice of people who faced Soviet Army rifles
 and tanks to try to hold the measure of free-
 dom they momentarily had grasped.

The world knows, as it began to sense from
 the East German riots of 1953, that any pre-
 tense the satellite peoples wish to be ruled
 by Communists is a lie.

Another continuing effect of the revolt is
 the fact that the government under puppet
 Premier Kadar has relaxed exactions from the
 Soviet Union so as to improve somewhat the
 supply of food and clothing for Hungarians.
 Many small craftsmen are allowed to continue
 private business, and peasants have been re-
 lieved of compulsory grain deliveries.

These reports tend to indicate that Commu-
 nist tyrants recognize a possible limit to their
 authority and do not wish to court another
 rebellion. Even Soviet actions hint some re-
 sponse to world opinion. It is encouraging
 that those familiar with the situation believe
 the pressure of a UN debate would help rather
 than harden the situation of people in the
 prison countries.—Christian Science Monitor.

Calvary Baptist.....	45	42	37

Totals.....1265 1257 1147

Tate May Renamed To Hardin-Simmons Board at Convention

Tate May, Hamlin banker, was renamed to the board of trustees of Hardin-Simmons University at Abilene last week. The action came on the final day of the Baptist General Convention of Texas annual meeting in San Antonio's municipal auditorium.

Hardin-Simmons is one of 11 schools owned and operated by the convention. The schools have spent more than \$5,500,000 for new buildings and renovations during the past three years and now have assets totaling more than \$63,000,000.

The schools are now in capital fund campaigns for nearly \$4,000,000. More than 11,000 regular students are enrolled in the colleges, with about 3,500 more served through extension classes and correspondence courses.

4-H AWARDS

(concluded from page one)

was made by David Grissom, and Mrs. Woodrow Simmons responded for the parents. Club members presented their parents, and Mary Grissom, county home demonstration agent, introduced the awards.

Awards were presented by various adult leaders. County Agent Kirby Clayton introduced the speaker of the evening, Dr. Hugo B. Haterius of Ericksdahl, long time leader in 4-H work in the county.

The following awards were presented to 4-H Club boys and girls for outstanding achievements during the past year:

Achievement Awards — Linda Huber of Anson, Rita Coker of Anson, Stanley Harvey of Lueders and Phillip Newsom of Lueders.

Boys' Agricultural—Billy Fallmon of Avoca, Billy DeBusk of Anson, Stephen Haterius of Ericksdahl and Gary Cauble of Hamlin.

Clothing—Margaret Renfro of Hamlin, Cheryl Stephenson of Anson, Betty Huffaker of Avoca and Beverly Garrett of Avoca.

Dairy—Richie Cox of Anson, Judy Moritz of Ericksdahl and Mike Holloway of Anson.

Dairy Foods Demonstration—Martha Garrett of Avoca.

Dress Revue—Judy Simmons of Anson and Phyllis Roberts of Anson.

Electric—Barbara Shuquist of Avoca, Marverine Shuquist of Avoca and David Grissom of Ericksdahl.

Field Crops—Clifford Mitchell of Anson and John Mitchell of Anson.

Food Preparation—Anna Cheryl Adams of Hamlin.

Gardening—Dan and Van Newberry of Hamlin.

Girls' Home Economics—Helda Putman of Avoca and Sandra Garrett of Avoca.

Health—Larry Grimm of Hamlin and Carolyn Bagley of Anson. Home Improvement—Betsy McCoy of Hawley and Zella Agee of Avoca.

Leadership—Jimmy Roberts of Anson and Patsy Wade of Anson. Poultry—Grady Read of Ericksdahl and Bill Culver of Lueders.

Public Speaking—A. H. Roberts of Anson.

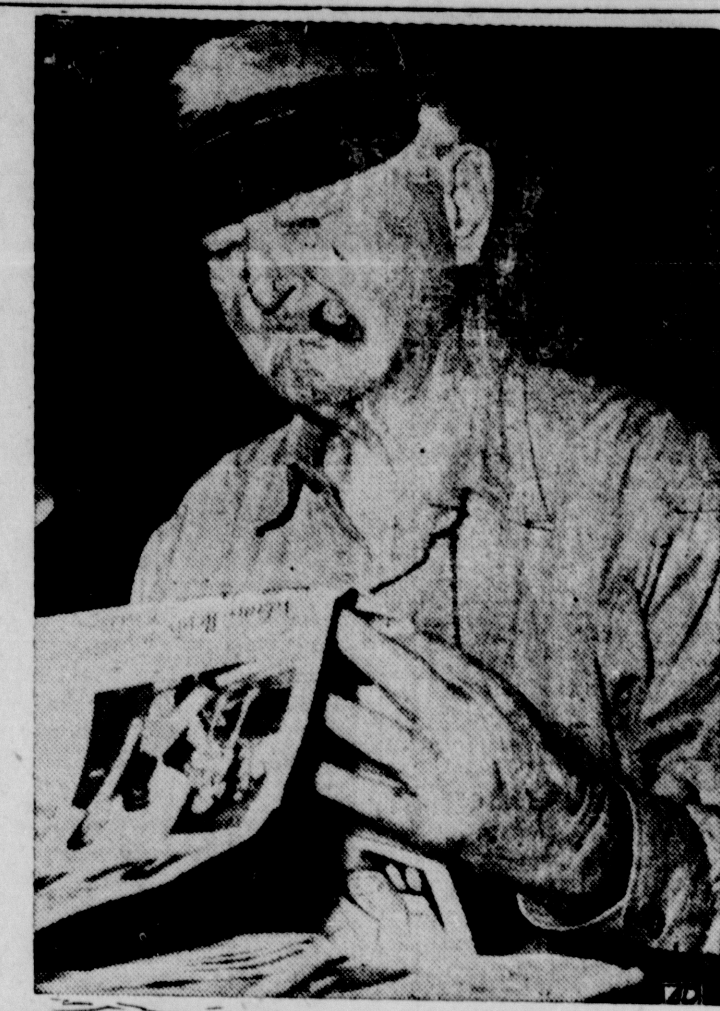

Recreation—Ingrid Haterius of Ericksdahl, Mimi Sue Olson of Ericksdahl, Carl Wade of Anson and Lester Dalton of Anson.

Swine—Ronnie Bagley of Anson, Jimmy Sasser of Anson and Terry Touchstone of Noodle.

Citizenship—David Lundgren of Ericksdahl, Ann Hansen of Ericksdahl and Johnny Riddle of Ericksdahl.

Gold Star Winners—John Mitchell of Anson and Judy Simmons of Anson.

There are few things a pretty girl cannot have, if she combines personality with judgment.

FORMER VICE PRESIDENT TAKES IT EASY—John Nance, Garner, who will celebrate his ninetieth birthday November 22, keeps up with local, national and international events by reading the daily newspaper in his home at Uvalde. The former vice president looks, acts and talks like a man at least 20 years younger and is far from being lonely, for numerous visitors knock on the door of his little house every day.

Native of Hamlin, J. R. Bonds, Dies In Auto Accident

Jesse Richard Bonds, 43-year-old native of Hamlin, who has been living at Roswell, New Mexico, for several years, was killed instantly when his car went out of control on a highway near Roswell Sunday.

Bonds, the son of Mr. and Mrs. Joe Bonds of Hamlin, was born east of town on May 4, 1915. He had attended Hamlin schools. He had been manager of a food store in Roswell for nine years. He was a member of the First Baptist Church of Roswell.

Funeral services were conducted Wednesday afternoon at the Mason Funeral Home chapel, with arrangements in charge of that funeral home. Rev. John Dennis, pastor of the Roswell First Baptist Church officiated. A number of relatives and friends attended the services from Hamlin.

Burial was in the Roswell Cemetery.

Surviving the former Hamlin man are his parents, Mr. and Mrs. Joe Bonds Sr. of Hamlin; his wife, one son, Patrick Joe Bonds of Stamford; and two brothers, L. C. Bonds and Joe Bonds Jr., both of Hamlin.

Mrs. S. T. Long, 87, Dies Friday After Lengthy Illness

Funeral for Mrs. S. T. Long, 87-year-old Hamlin resident for the past five years, died Friday in Hamlin Memorial Hospital after a lingering illness.

Born Elizabeth Butler on November 8, 1871, in Callahan County, she married J. M. Griffith in Fannin County in 1886. He died in 1935. She married S. T. Long on August 12, 1953, in Hamlin, where the couple had lived since.

Funeral services were conducted Saturday afternoon in the Foursquare Gospel Church in Hamlin. Rev. John Holland, pastor, officiated.

The body lay in state at the Lawrence Funeral Home in Anson until service time. Burial was in the Hamlin East Cemetery under the direction of Lawrence.

Survivors include her husband, S. T. Long of Hamlin; three sons, Gerald Griffith of Memphis, Bonnie Lee Griffith of Plains and J. N. Griffith of Stamford; four daughters, Mrs. W. B. Holliday of Roswell, New Mexico, Mrs. Julia Maxwell of Port Lavaca, Mrs. L. B. Woods of Concord, California, and Mrs. Turbinsville of Arkansas; eight step-children, G. G. Long and E. M. Long, both of Hamlin, Dawson Long of Anson, William Long of Redlands, California, A. J. Long (address unavailable), Mrs. Gid Smart of McCaulley, Mrs. Lee

Hamlin Exes Will Go Tech Homecoming at Lubbock Next Week

Numbers of Hamlin area residents will be among attendants next week at the twenty-ninth annual homecoming of Texas Technological College at Lubbock. The gathering, scheduled November 21 and 22, will have a full schedule of fellowship and football.

Thousands of exes are expected to return for a homecoming queen coronation and appearance of Comedian Bob Hope Friday, November 21, and a homecoming parade, luncheon, Tech-Arkansas football game and dance Saturday, November 22.

Mixed with the major features will be dozens of receptions, teas, parties and class reunions.

The territory of Alsace-Lorraine has changed hands four times in the past century.

Mrs. Jimmy Ray, Recent Bride, Made Honoree at Gift Tea in Lock Home

Mrs. Jimmy Ray, nee Barbara Bell, was honored at a gift tea October 30 from 6:00 to 8:00 p. m. in the home of Mrs. Don Lock.

Mrs. Lock greeted guests at the door and presented them to Mrs. Ray, the honoree; her mother, Mrs. C. M. Bell; and her mother-in-law, Mrs. H. H. Ray. Ones in the receiving line were feathered corsages of white chrysanthemums, gifts of the honoree's sister, Mrs. Ann Ray.

Mrs. W. O. Willbanks directed guests to the serving table.

The table was laid with a white cloth over blue and pink carnations sprinkled with silver glitter in an authentic Fenton glass bowl. Crystal and silver appointments completed the table arrangements.

Mrs. J. B. May and Mittie An Ray, sisters-in-law of the honoree, presided at the table, assisted by Wyvonne Conner.

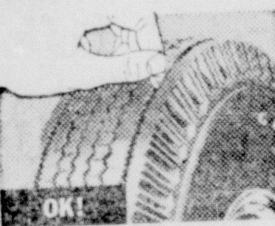

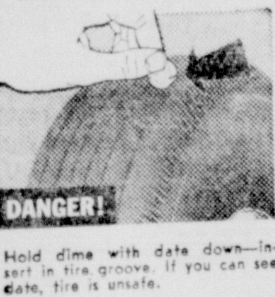

Mrs. Floyd Briscoe directed the guests to the rooms where gifts were displayed by Mrs. W. C. Lockhart and Mrs. F. T. Wallace.

Carolyn Sue Ray registered the guests, and Mrs. W. H. Hallmark said the good-byes.

Mrs. John Riddle, also was a hostess but was unable to attend the tea because of family illness.

Vocational Nurses Hear Hamlin Woman At Anson Gathering

Monthly meeting of the Licensed Vocational Nurses Association was held Thursday evening in the Anson Hotel dining room. Guest speaker was Mrs. E. Kraft, RNA of Hamlin, whose subject was "Anesthesia in Relation to the Patient and the Vocational Nurse."

As an added feature each member brought a "white elephant" which was auctioned off and the money added to the treasury. Auctioneer was Elva Lou Cox.

Mrs. Geneva Baucum of Anson was selected nurse of the month for her nursing ability and outstanding work. She was presented a corsage from Lawrence's Flowers of Anson.

Refreshments were served to 13 members and the guest speaker. Hostesses were Mmes. Thelma Maddox, Hazel Higdon and Arzelle Voss.

Next meeting of the LVNA of Jones County will be held Thursday evening, November 20, at 7:30 p. m. with Dr. Knox Pittard of Anson General Hospital as speaker. Reports from the recent state convention also will be given.

Common Colds Often Caused by Improper Nutrition, Says Agent

Changing temperature, fatigue, too much food or not the right kind, tension and excitement—all are factors in lowering body resistance to the common cold.

Food makes a difference, reminds Jones County Home Demonstration Agent Mary Y. Newberry. It is important to start family members with a good wholesome breakfast every day; then follow through with wholesome, balanced meals at noon and at night. Plan to eat at regular times as much as possible and reserve the sweet or rich foods for meal-time desserts. Keep in-between refreshment snacks light and nutritious. Fruits, fruit juices, crisp, colorful vegetables served with special dips can be just as tasty and appealing as rich, heavy foods.

"Good Meal Every Day," a bulletin written by extension foods and nutrition specialists, gives suggestions for planning daily meals, and buying, preparing and serving food. Copies are available from the county home demonstration agent's office.

Get rubber stamps at Herald.

THESE WOMEN!

Presentation of Gold Star Awards to 4-H Leaders Climaxes Years of Work

Presentation of the annual Gold Star Awards to a Jones County 4-H Club boy and girl Saturday evening at the annual achievement banquet at Anson was the climaxing event of the gathering of more than 200 boys and girls, adult leaders and special invited guests.

The awards went to John Mitchell and Judy Simmons, both of Anson 4-H Clubs.

Judy Simmons of the Anson Junior Leaders 4-H Club, is the 1958 Gold Star girl, announcer Mary Y. Newberry, Jones County home demonstration agent. The Gold Star Award is the highest award a 4-H boy or girl can receive on a county level. Judy is the 17-year-old daughter of Mr. and Mrs. Woodrow Simmons of Avoca.

Judy is president of the Anson Junior Leaders 4-H Club and has been a club member for seven years. She has served as secretary and treasurer for three years, and is now treasurer of the 4-H Club Council. She was alternate to the district council in 1957 and was elected delegate to district council in 1958. She is now serving as secretary of both 4-H club-committee of program building and program building extension council.

She has carried demonstrations in clothing for five years. She was junior county winner in the dress revue in 1954. She was senior county dress revue winner in 1957 and 1958, and participated in the district dress revue both years. She was state alternate to the dress revue in 1957. Judy also carried demonstrations in bedroom improvement, recreation and foods. She was a member of the first place district winning team in 1957 in a vegetable team demonstration. This team won third place in state that year.

Judy takes an active part in church, Future Teacher and the American Junior Rodes Association. She has been an officer in the National Honor Society at Anson High School. She is senior beauty, homecoming queen candidate and a member of the school annual staff.

The agent presented Judy the Gold Star Award.

John Mitchell, 17-year-old son of Mr. and Mrs. C. O. Mitchell of Anson, received the Gold Star Award for 4-H Club boys in the county. He is a member of the Anson Junior Leaders 4-H Club having been in club work for six years.

John won the entomology, electricity, leadership, achievement and swine awards.

Projects carried on by young Mitchell have included capons, swine, grain sorghums, cotton, small grains, leadership, electricity, entomology and citizenship.

He served as club reporter and council delegate of his club. He was twice district winner on the entomology team that went to the state Round-Up at A. & M. College for state competition.

John graduated from Anson High School last May and has since been working on the farm and part time at a service station in Anson.

He won a Sears gilt in the essay awards program and a Sears board in this program. He won the grand championship on his gilt in the Jones County Club Boys' Livestock Show in the Sears program.

The Gold Star boys and girls of District II and their parents will be honored at a Gold Star banquet at Vernon on December 6.

North Central Baptist Adult Training Union In Social Gathering

Members of the Phillips Training Union of the North Central Avenue Baptist Church met in the home of Mr. and Mrs. Sid Clay for their monthly business and social meeting last Thursday evening.

The session was called to order by the president, Mrs. V. Madden. Song service was led by Mrs. L. H. Clark. Opening prayer was offered by Rev. Woodrow McHugh, and devotional was brought by Robert Rhoton Sr.

Refreshments were served to eight members and nine visitors.

There will be another meeting of the group November 28 in the Robert Rhoton Sr. home.

Program on Clothing Care Given at Meet Of Friendship Club

A program on the care of clothing was featured when members of the Friendship Home Demonstration Club met Friday at the oil mill guest house.

The vice president, Mrs. Gean Witt, had charge of the business session in the absence of the president, Mrs. Sol Branscum, r.m. W. H. Murphree gave the council report. Mrs. John Hix gave a report from the Woman's Forum and Mrs. Jack Collins gave a treasurer's report.

Mrs. E. G. Young and Mrs. M. S. Johnson presented an interesting program on "Care of Clothing."

Cookies and coffee were served to Mmes. Jackie Collins, W. H. Murphree, Gean Witt, M. S. Johnson, R. M. Young, M. F. Green, E. G. Young, John Hix, H. B. Gardner and Emma Kay Nail.

Most people are befogged by figures, one kind or another.

Public Education Goes Long Way in Fight Against Traffic Accident Phase

One of the most important phases of traffic accident prevention is that of public education in the sense of creating an awareness of traffic hazards. Unless motorists are aware of the inherent dangers in driving they cannot hope to survive for long today's heavy traffic without an accident.

For many years the Texas Safety Association, the National Safety Council and many other safety groups have hammered away at this public education, awareness theme. During this time, newspapers have been the principal media for the dissemination of accident prevention information, with radio, magazines and television following in close order.

How well have you followed this education process in the columns of The Herald?

The answer can be found in the results of the following quiz. Your answers may also determine "your own awareness," thus the degree of safety in your traffic future.

Questions:

1. What are the four leading causes of traffic accidents in the state of Texas?
2. What is "jay walking," and why should it be prohibited?
3. What is the automobile speed limit in Texas? (a) Daytime? (b) Nighttime?
4. What is the cause of practically all railroad grade crossing accidents?
5. What five principal qualifications does a careful and safe driver possess?
6. What are drivers' arm signals for turning, slowing or stopping?
7. What is the braking distance of your car, on dry pavement, at: 30 miles per hour; and 50 miles per hour?
8. Are there more than 4,000,000 or less than 4,000,000 motor vehicles registered in Texas?
9. How many persons were killed in Texas' traffic accidents in 1957? How many injured?
10. Was the cost of all Texas traffic accidents during 1957 more than or less than \$300,000,000.

Answers:

1. Driving too fast for conditions; driving while intoxicated; disregard of warning or stop signs; driving on the wrong side of the road; did not have right-of-way.
2. Crossing the street at a point other than designated cross walks.
3. (a) 60 miles per hour; (b) 55 miles per hour.
4. Failure to heed the warning to stop, look and listen.
5. Courtesy; realization of the sacredness of human life; knowledge of the safety limitations of a motor vehicle; attention to maintaining car under control at all times; familiarity with traffic laws and safe rules of the road.
6. A safe driver gives distinct signals by extending his arm well out of the car and bending the arm and hand: Down for slowing or stopping; straight out for left turns or when pulling away from curbs; upward for right turns.
7. One hundred feet for 30 miles per hour; 243 feet for 50 miles per hour.
8. According to the Texas Highway Department, there were 4,174,990 motor vehicle registrations in Texas during 1957.
9. Texas Department of Public Safety figures show that 2,539 persons were killed, and approximately 122,195 injured in Texas traffic accidents last year.
10. The estimated costs of all traffic accidents in Texas during 1957 has been placed at \$275,000,000.

Woman's Literary Club Meets Friday in Home of Mrs. York

The program was built around the theme, "Abundant Living Through Service to Our Nation," when members of the Woman's Literary Club met Friday afternoon with Mrs. M. T. York as hostess.

Johnnie Agnew, acting as director, presented Mrs. Holly Toler, who spoke on "The Forty-Ninth State," and Mrs. Virgil Steele, whose topic was "Veterans Day."

The federation counselor's report was given by Mrs. R. D. Moore. The 19 members present answered roll call with pertinent facts concerning topics which were previously assigned and which were particularly interesting to club women. Leaflets on cancer were distributed, and the meeting was adjourned by the president, Mrs. A. B. Carlton.

"Do I Have to Suffer All My Life Just Because I'm a Woman?"

No! Today, women don't have to bear a special cross of agony! Girl or grandma, a special tablet can bring blessed relief from "female miseries!" STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin.—Austin is up to its ears in opinions and pronouncements as the pre-legislative session of state issues blows through the city.

Taxes and schools are leading topics.

Committees, study groups and associations, both public and private, come to town, hold a meeting, hear speakers and usually pass some resolutions. They are part of the sitting, sounding out and solidifying of thinking that precedes a legislative session.

On Second Thought, Yes.—Hale-Aikin committee considered and reversed its previous stand that Texas schools should not take federal aid for lunch rooms and vocational education.

New statement, passed 11 to 8, was offered by Ed Ray, San Antonio Express-News editor. It affirmed the committee's belief in state control of education but said it did not feel this would be best by accepting federal aid for lunches, vocational education and for large numbers of children brought into a district by federal activities. It also endorsed the desirability of the federally financed activities covered by the national defense education act.

The Hale-Aikin committee of 24 lawmakers, educators and other citizens was set up by the Legislature to advise it on public school needs and problems. Some six weeks ago it stirred up a hornet's nest by recommending that Texas quit accepting several million dollars a year in federal school aid. Arguments pro and con flared over the state, and many legislators were rendered uncomfortable by the necessity to take a stand. In many cases the lawmakers disapproved federal centralization in principle but were hesitant to get in a position where they might be accused of taking milk from the school kids.

Hale-Aikin committee also gave final approval to a recommended program of public school improvements. It would raise school costs by about \$112,000,000 a year—mostly for teacher salary raises, sick leave, building upkeep and transportation.

Calls for Big Tax.—A meeting of the Texas Association of School Boards was the sounding board for more ideas on school financing.

Only a state income tax or general sales tax can produce enough revenue to cover school program improvements, a spokesman for the Texas State Teachers Association told the meeting.

TSTA-man L. P. Sturgeon said other taxes proposed thus far would hardly get the state treasury out of the hole, let alone cover new needs.

School board members also

may not be all since the committee is to meet again in November.

Panel members, in addition to Herring, are Senators Grady Hazelwood of Amarillo, Jarrard Seelwood of Temple, Culp Krueger of El Campo and Frank Owen III of El Paso.

Out of the Woods.—Texas Employment Commission officials took a look at steadily improving employment figures, then at the still substantial unemployment compensation fund and breathed a sigh of relief.

This recession, at least, hadn't broken the bank.

A year of high unemployment had taken \$6,000,000 from the fund, but it still had \$272,523,000. It was only \$30,700,000 lower than at the beginning of the recession year.

It was in October, 1957, that the upsurge in joblessness began. The first week of that month benefits paid out totaled \$84,617. From then figures moved swiftly upward until the mid-April peak when \$1,875,000 was paid out in one week, nearly four times as much as the pre-recession figure.

Steady improvement began in the summer months. By this October the cycle is not back to its starting point, but latest report shows \$1,099,201 paid out in one week.

But with new claims falling sharply and economists generally agreed that the recession was fizzling, it seemed as if the dark period were over.

KERRY DRAKE

POLICE IN EVERY CITY IN AMERICA CANADA AND EVEN MEXICO HAVE BEEN ALERTED TO WATCH FOR TRINKEET AND BULL-DOZER, KERRY!

SURE, SURE! BUT THEY HAVEN'T CAUGHT THEM, BARR!

NOT YET! BUT SOME DAY SOMEWHERE, SOME OFFICER WILL PULL THEM IN—HAVE FOR A PETTY OFFENSE—AND HELL CHECK THE RECORDS AND FIND HE'S NABBED A PAIR OF WANTED KILLERS! ...JUST BE PATIENT, OLD MAN!

WANTED! "TRINKEET" "BULLDOZER" BROWN 192575

PICTURES OF BROWN, SUBSEQUENTLY FROM LOS ANGELES, CALIFORNIA, AND TRINKEET'S CRIMINAL RECORDS FOR DISTRIBUTION ALL OVER THE COUNTRY.

SANDY'S MURDERERS STILL BREATHING FREE AIR—AND YOU WANT ME TO BE PATIENT?!!

James Boyd Named To Who's Who Spot By McMurry College

James Boyd, a senior at McMurry College, has been named to Who's Who Among Students in American Universities and Colleges for the 1958-59 school term, according to a release.

Boyd was one of 18 students recommended to the Who's Who committee by officials of McMurry College, and was chosen in a school-wide election.

Boyd is the son of Mr. and Mrs. R. I. Boyd of Hamlin. A graduate of Hamlin High School, he claimed such high school honors as football and basketball letters, and served as president of the Student Council.

On the reservation, football honors have been his, he was chosen as junior class favorite, senate member and Student Council member.

Nurses of County Go To Dallas State Meet

Licensed Vocational Nurses Association of Jones County was represented recently at the state convention in Dallas by Mrs. Llera Drummond and Mrs. Eunice Rainwater, both of Anson, Emma Wallace of Hamlin, Frances Boone and Billie Lett of Stamford.

Outstanding authorities in the nursing and medical field were featured on the two-day program. The Jones County attendants will report on the convention at the next regular meeting of the NLVA group at Anson on the evening of November 20 at Anson.

James E. Terrell, Son Of Hamlin Man, Ends Army Missile Course

Army Reserve Second Lieutenant James E. Terrell, son of Mrs. Lula B. Bentley, 1408 East Everglade in Odessa, recently completed the 15-week surface-to-air guided missile officer basic course at the Army Air Defense School at Fort Bliss, according to a release from the base to The Herald.

Lieutenant Terrell received instruction in theoretical and practical aspects of guided missiles and in air defense tactics.

The 21-year-old officer is a 1953 graduate of Odessa High School and a 1957 graduate of Texas A. & M. College. He was formerly employed by the Humble Oil & Refining Company at Snyder. His wife, Lou Ann, lives at El Paso. His father, S. F. Terrell, lives at Hamlin.

Big Premiums Posted For Fort Worth Show

More than 5,000 livestock premium lists for the 1959 Southwestern Exposition and Fat Stock Show are being mailed to livestock exhibitors, potential exhibitors and other interested persons throughout the nation, says a release to The Herald this week.

The Fort Worth show will offer about \$195,000 in prize money for entries in the livestock division, the horse show and rodeo. Premium lists for the horse show will be mailed at a later date. Dates for the exposition are January 30 through February 8.

RECOMMENDATION.

Doctor—"Did you go to another doctor before you came to me?"

Patient—"No, I went to a druggist."

Doctor—"Ad what foolish advice did he give you?"

Patient—"He told me to come to you."

The Herald's Page of Sports

Pied Pipers Go to Anson for Final Grid Game Friday Night

Big Crowd of Fans Will Follow Squad to Game

Last football game on the 1958 menu of the Hamlin High School Pied Pipers will be reeled off Friday night at the Jones County seat between probably to two most evenly matched teams in the District 6-AA loop. Principals in the fracas will be Anson Tigers and the Hamlin Pied Pipers.

Although the game will not decide much in the conference race, Stamford having already clinched the championship, the two squads will be fighting all the way.

It will be homecoming time for Anson High School exes—and the charges of Coaches D. C. Andrews and Jimmy Vaughn are out to mess up the football show for the Anson boys.

Pied Piper Booster Club is sponsoring a caravan to the game, cars to meet in front of HHS not later than 6:30, where they will be decorated by girls of the Pep Squad.

DePriest Coaches Go To Coleman Session

Coach Roosevelt Jones and Principal E. S. Morgan of DePriest Colored School are scheduled to go to Coleman November 16 to attend a conference of coaches and principals of colored schools of the area.

The group will arrange basketball schedules for boys' and girls' teams, and also make preliminary arrangements for the Interscholastic League contests for participating schools.

DISTRICT 6-AA STANDINGS

Next-to-last report of standings in the football race of teams in District 6-AA held about the same rankings as the previous week when all five teams were playing. The ratings stacked up like this:

Teams—	P.	W.	L.	T.	Pct.
Stamford	9	8	1	0	.88
Haskell	10	6	3	1	.650
Seymour	9	5	4	0	.556
Hamlin	9	4	5	0	.445
Anson	9	1	7	1	.167

DISTRICT STANDINGS

Teams—	P.	W.	L.	T.	Pct.
Stamford	3	3	0	0	1.000
Haskell	4	3	1	0	.750
Anson	3	1	2	0	.333
Seymour	3	1	2	0	.333
Hamlin	3	0	3	0	.000

Results Last Week.

Stamford 47, Hamlin 12.
Haskell 20, Anson 8.
Seymour 12, Nocona 8.

Where They Play Friday.

Hamlin at Anson.
Seymour at Stamford.
Haskell—All games played.

Hobbs Panthers Beat McCaulley by 31 to 13

Hobbs High School Panthers took the measure Friday night of the McCaulley Eagles gridders in a six-man District 4 football game by a 31 to 13 score Friday night at Hobbs.

Herman Adams and Buster Wright scored two touchdowns each for Hobbs. Micky Templeton made one touchdown and Dewey Reep scored an extra point. Jerry Jeffries tallied all 13 McCaulley points.

Hobbs now has a three won, one lost and one tied record. The Eagles have not won a conference game in five starts.

Brandon, Martin And Shields Made Players of Week

Harry Bob Martin and Tobe Shields were named co-linemen of the week and Robert Brandon was selected as back of the week when members of the Hamlin Pied Piper Booster Club voted Monday evening on nominees for the places.

The three members of the Hamlin High School Pied Piper football squad were selected for their performances of offense and defense in the Stamford-Hamlin tilt Friday night, based on witnessing the game and watching films of the game Monday evening.

Players of the week will be named by the Booster Club after Friday night's game at Anson, announces Duane Stallcup, president of the booster group. The club hopes to continue the players-of-the-week plan next year, when awards will be presented to the players, Stallcup said.

The booster group Monday night also heard a scouting report by Neil Laminack, and witnessed a film of the Stamford-Hamlin game Friday night.

Non-League Cage Games Set for Juniors

Arrangement of several non-conference basketball games for basketball teams of Hamlin Junior High School cagers was this week announced by Principal Marvin Carlton.

The following games have so far been arranged before the conference play begins on January 12.

November 24—Hamlin at Rotan.
December 1—Hamlin at Avoca.
December 8—Rotan at Hamlin.
December 15—Avoca at Hamlin.

WHAT'S HAPPENING OUT THERE—The chilly temperature of a November evening didn't mean a thing to little Olivia Osborn as she watched the proceedings of a football rally and bonfire in Fort Worth from her warm spot in company with her father, Osborn Duke, assistant professor of English at Texas Christian University, and her mother. Several fans from the Hamlin area attended the football game that followed the rally.

Stamford Given Trouble by Pipers In 47 to 12 Victory

Stamford's rampaging Bulldogs did the expected Friday night in trimming the Hamlin Pied Pipers 47 to 12 to clinch the District 6-AA conference crown—but the visitors found the going tougher at Hamlin than with any other loop contender this season.

The Bulldogs made 15 first downs to 12 for the home team. Although they racked up 201 yards on ground offense to 52 yards for the Pied Pipers, the Hamlin crew connected with five of 16 pass flings for 145 yards to only 95 yards in the air for the Bulldogs.

Fred Upshaw started the first quarter scoring spree by tossing to Ronnie Weeks for six yards. Tailback Donald Davis went 36 yards up the middle for the second marker. Upshaw intercepted a pass and lateraled to Tab Bunkley who went 22 yards to pay dirt, and Roy Sconce took a pass good for 20 yards and a touchdown. Upshaw passed to Weeks for two extra points and Lindsey kicked two more points after touchdown.

Stamford scored twice more in the second period on a pass interception by Davis who ran 25 yards to pay dirt, and on a nine-yard end run by Tailback Max Moudy. Lindsey kicked an extra point.

Hamlin marked up a tally in the third period when Robert Brandon took a pass and streaked 11 yards for a touchdown. The extra point try failed.

The Bulldogs scored again in that same period when Charlie Helmer went 44 yards for a tally. Extra point try failed.

Hamlin completed the scoring in the fourth quarter on a 42-yard brother-to-brother pass when Ed Shields flipped to Tobe Shields and carried to the six-yard spot, then Sam Hodges plunged over for the score. Extra point try again failed.

Anson Juniors Push Mighty Mice to Third Place in 20 to 6 Win

Anson Junior High School's Cubs won the battle for second place in defeating the Hamlin Mighty Mice here Tuesday night by a 20 to 6 score. Hamlin held a 6 to 0 halftime lead, but saw it quickly fade early in the third quarter.

Dan Newberry plunged for one-half yard for the Hamlin tally in the second quarter. Van Newberry was thrown for a loss on the extra point try.

Anson scored early in the third quarter on a screen pass. Immediately after the touchdown they scored again when Sanders intercepted a Hamlin pass and raced for a score. After stopping the Mice on their 20-yard line on a fumble, Sanders raced 50 yards for the final Anson score.

Outstanding on offense for Hamlin were Raymond Renfro, Dan and Van Newberry, Larry Blackwell and Mike Martin. Playing a good game in the line were Barry Moore, Mark Smith and Larry Stephens.

Seventh Graders Play Anson Squad Today

Hamlin seventh graders will play the Anson Junior High School seventh graders on the Pied Piper griddle this (Thursday) afternoon at 4:00 o'clock. Coach Harry Martin announces.

The seventh grade gridders have shaped into a formidable football crew, although the number coming out has been on the few side. Martin reports.

No admission charge will be made for today's game, and the public is invited.

Passenger car advertisers invested over 13 per cent more in newspaper advertising in 1957 than in the previous year.

DePriest School Cage Teams Start Practice

Daily work-outs are being conducted at DePriest Colored School in Hamlin by both boys' and girls' basketball groups, declares E. S. Morgan, principal.

The boys, under coaching of Roosevelt Jones, have several returning regulars around which to build a good team. The girls squad, however, has an almost new personnel, Morgan reports, but they are showing up fairly well.

First matched play of the DePriest cagers is scheduled December 2 at Colorado City, with both boys' and girls' teams taking the courts.

The Herald has carbon paper.

Stamford Clinches District 6-AA Grid Crown with Victory Over Pied Piper

The football season was almost rounded out last week-end in District 6-AA as all five teams in the loop played—four teams ripping off conference games and Seymour going to Nocona for their last non-conference bout.

Haskell's Indians did the expected in snowing under the Anson Tigers by a 20 to 8 score; Stamford's Bulldogs had a rougher time with Hamlin than with any other district foe so far by taking a 47 to 12 decision; and Seymour knocked over the Nocona Indians by a 12 to 8 decision.

Haskell routed the Anson crew worse than the score indicated in the tilt played on the Haskell gridiron. The Indians rolled up 20 first downs to Anson's three, and racked up 293 yards on the ground and 42 in the air to 87 yards on the ground and 35 yards passing for the Tigers. It was the Indians' last game of the season, their having won six games, lost three and tied one. They lost only to Stamford in the district race. Scoring for Haskell were Lynn Pace, who took a pass from Quarterback Erby Wolfe; Eugene Mullins scored twice for Haskell in the fourth period, going five yards for the first and eight yards, on the second after a fumble recovery. David Probst scored for Anson in the last period on a pass from Dorman Scott that was good for 35 yards. Freddie Adkins ran over the extra points.

In Stamford's defeat of the Pied Pipers on the Piper field the Bulldogs made 15 first downs to 12 for Hamlin. However, the visitors rolled up 201 yards rushing to only 52 for the Pied Pipers, and made 95 yards in completing five of 21 aerials, while the Hamlin boys gained 145 yards on five completions of 15 pass tries. Stamford scored four touchdowns in the first period, Ronnie Weeks, Donald Davis, Tab Bunkley and Roy Sconce making the tallies. The Bulldogs scored twice more in the second and again in the third period. Robert Brandon scored for the Pied Pipers to the third period

on an 11-yard pass, and a pass from Ed Shields to Tobe Shields in the last quarter wound up the scoring.

In Seymour's 12 to 8 defeat of the Nocona Indians at Nocona Friday night Billy Carlock scored from the four in the first period for Seymour, and Eldon Wells tallied from the one-yard spot in the fourth period. Dennis Richardson plunged from the one yard line the extra points over in the fourth period for Nocona's score.

Mighty Mice Retain Third Place Standing in Grid Conference

Mighty Mice gridders of Hamlin Junior High School maintained their post of third place in the conference standings after last week's tilt. The ratings looked something like this:

Teams—	P.	W.	L.	T.	Pct.
Albany	5	4	0	1	.90
Anson	4	3	1	0	.75
Hamlin	6	2	3	1	.41
Merkel	5	0	5	0	.00

Results of Recent Games.

Games played October 28—Anson 28, Haskell 14; Albany 48, Clyde 0; Hamlin 48, Merkel 6. Games played November 4—Anson 20, Hamlin 6; Albany 28, Merkel 16.

Games Scheduled November 11
Anson at Albany.
Hamlin at Haskell.

COAST TO COAST ONLY 1½ CENTS PER MILE FOR GAS!

Pontiac's new Tempest 420E V-8 sets the year's most important economy mark—Here's the story and what it means to you!

PONTIAC COAST-TO-COAST ECONOMY RUN
San Diego, California to Savannah, Georgia
COMPLETED OCTOBER 17, 1958

DISTANCE	2,442.7 MILES
DRIVING TIME	60.72 HOURS
FUEL CONSUMED	112.5 GALLONS
FUEL COST	\$35.79
MILES PER GALLON	21.7 Average for entire trip
AVERAGE SPEED	40.2 MILES PER HOUR
COST PER MILE	1.465 CENTS

We asked one of America's most respected car testers—"Uncle Tom" McCahill—to put a standard Pontiac Catalina Sedan with our new economy V-8 to the test.

And with only one specification—that the run would be exactly like you would drive coast to coast yourself—in mountains, in city traffic, across deserts, buying gas wherever the tank ran low.

And here's the phenomenal story in every complete detail—all officially certified by NASCAR, America's top automobile competition authority.

What does it mean to you?

Simply—and very importantly—this: For the first time, you can get deep-chested V-8 pep with better mileage than from many smaller so-called "economy cars" . . . and get it on regular fuel!

If you owned a Pontiac with this new Tempest 420E V-8 you'd be saving up to 5 cents a gallon on regular fuel. This new economy V-8 is optional at no extra cost on any Hydra-Matic Pontiac!

See your Pontiac dealer soon—and discover the newest in V-8 performance and economy!

Cross Roads Baptist Church, West of Hamlin, Wins State Award at Session

Cross Roads Baptist Church between Hamlin and Rotan was named one of four state-wide winners at San Antonio last Monday night in the annual church achievement program sponsored by the Baptist General Convention of Texas.

The church, pastored by Rev. Earl D. Hord, was named first place winner in the program's community improvement division

Patrons Urged to Begin Mailing of Xmas Mail Early

Postmaster Perry Sparks said this week, "Christmas may seem like a way off, but nevertheless, the starting of our annual 'Mail Early for Christmas' campaign immediately, because there's even indication that the 1958 Christmas season will set an all-time mailing record."

The postmaster said further that now is the time to plan your Christmas card and gift mailings. The first thing to do is to check your Christmas card list carefully—make sure that each address, particularly on mail to larger cities, includes full name, street and number, city, zone and state.

He went on to say that, by a little planning, a lot of headaches can be avoided when the Christmas rush is on. The postmaster suggests that you stock up now on heavy wrapping paper, sturdy corrugated cartons, strong cord and paper adhesive tape, for use in securely packing and wrapping your Christmas gifts. Remember, also, that you can include your Christmas card or letter inside your gift package if you'll just add the appropriate first class mail stamps to the postage for the package itself.

Be sure to use only first class one-cent or seven-cent air mail postage on your Christmas cards. All cards sent by first class mail may include a personal handwritten message, whereas a signature only is authorized on cards that are mailed at the three-cent third class rate.

Through the fine cooperation of the public during recent years Postmaster Sparks reports that great progress has been made in getting the Christmas mails through on time. He is making many advance preparations to handle the 1958 Christmas mail rush, with extra facilities all around.

Fort Worth Session To Discuss Animal Diseases of Region

An important area-wide meeting to discuss ways of controlling costly animal diseases will be held November 20 at the Texas Hotel in Fort Worth, according to C. E. Gregory of Hamlin, president of the Jones County Farm Bureau. A number of farmers and ranchers of the region are slated to attend.

The country agricultural leader urged all livestock and poultry producers to attend the one-day session, which starts at 9:30 a. m. The meeting is one of six being held over the state under the sponsorship of the Texas Animal Health Council, a state-wide organization composed of 30 livestock and agricultural groups.

Purpos of the meeting is to bring the facts of the serious animal disease problem to all producers in the state. Two widely known animal disease control experts will be speakers. Dr. L. R. Noyes of Fort Worth, executive director of the Texas Livestock Sanitary Commission, will explain the animal disease situation in Texas. Dr. John L. Wilbur Jr. of Fort Worth, veterinarian in charge of the Texas Animal Health Division of the U. S. Department of Agriculture, will discuss what is being done by the state and federal governments to control diseases in livestock and poultry.

Other speakers include C. G. Scruggs of Dallas, associate editor of The Progressive Farmer magazine and secretary of the council; Harold Nelson, president of the Texas Milk Producers Federation and chairman of the council; and C. H. DeVaney, vice president of the Texas Farm Bureau.

Soil Improving Legumes Planted In Hamlin Region

Now is the time to do something to prevent wind and water erosion which removes so much fertile top soil from our fields during winter and early spring. A good cover crop is the best and most economical way to prevent this erosion.

Austrian winter peas is an excellent cover crop, and a mixture of hairy vetch with oats or rye does exceptionally well on sandy land as a cover crop, according to Norman Bush, Soil Conservation service technician.

The optimum time for planting Austrian winter peas and vetch is September 15 to October 15. Planting conditions are ideal now because of adequate moisture and cool weather.

K. A. Gazo of the Union community is now in the process of planting his Austrian winter peas. He plants his cotton four in and four out. In those four blanks he drills in the winter peas, and in early spring he kills them with sweep type plows, and follows up with his cotton.

Other farmers who plant their cotton on two and one may use the inner row drill. The California Creek Soil Conservation District has four inner-row drills available for farmers to use at a nominal fee. Farmers in the Anson area can get a drill by contacting the Anson High School FFA department.

In order to obtain the most benefit from winter peas or hairy vetch, it is necessary to inoculate the seed. This is very simple, and one can of inoculant will inoculate 100 pounds of seed.

Anyone desiring more information concerning cover crops may obtain it by contacting your local county extension agent or Soil Conservation Service technicians.

THE FOUR-PASSENGER THUNDERBIRD, which set a new standard of elegance for American cars in 1958, is shown here in an international atmosphere before the Place Belgique Reception Hall at the Brussels World's Fair. The 1959 Thunderbird, on display now at the Hamlin Motor Company, with re-styled grille and bright metal spears on the side panel projectiles, retain the same basic lines that made it the most successfully styled car in America.

Missionary to Be Speaker Sunday at Assembly of God

Ben H. LaFon, missionary to Honduras, Central America, will be the featured speaker Sunday at the Assembly of God Church on South Central Avenue, according to an announcement by Rev. W. G. Miller, pastor of the church. LaFon will relate some of his experiences and will tell of the progress of missions in Honduras.

Mr. LaFon, with his wife, went to Central America in 1953 and spent more than four years there. He is under appointment of the foreign missions department of the Assemblies of God with headquarters in Springfield, Missouri.

When he arrived in Honduras Mr. LaFon was stationed at San Marcos de Colon, where he supervised the Assemblies of God work in Southern Honduras.

In June, 1955, he moved to Santa Rosa de Copan and served as director of the Bible School, where nationals are trained to minister to their own people.

Mr. LaFon also served as the national Sunday School representative for Honduras. In this capacity he promoted Sunday School work and assisted his nationals in evangelizing, opening up Sunday Schools and building churches.

Prior to going to Central America Mr. LaFon pastored several churches in Mississippi and Texas. He is a graduate of Southwestern Bible Institute in Waxahachie and Mississippi Southern College at Hattiesburg, Mississippi.

After his furlough Mr. LaFon plans to return to Honduras. He is now visiting various churches of the Assemblies of God presenting the needs of the work in Honduras.

Rev. Miller extends a cordial invitation to the public to hear Mr. LaFon in the service, which will begin at 7:00 p. m.

Cotton Production to Be Topic at Meeting

A group of 18 speakers from across the nation will gather at Houston December 17 and 18 for the Belt-wide Cotton Production Conference program centered on "growing cotton for profit and markets." Several cotton men of the Hamlin section are expected to attend.

The meeting is expected to attract some 800 to 900 scientists, educators, researchers and members of the cotton and agricultural chemical industries. It is being sponsored by the National Cotton Council in cooperation with other groups.

Two from County Due To Be Included in Draft for December

Two Jones County men, it is estimated, will be included in the state draft quota for the month of December.

The state quota for Texas draft boards in December calls for 462 men, Colonel Morris S. Schwarz, state selective service director, announced Tuesday.

The December call to 462 compares with a quota of 556 for November, already announced. The December call is the state's share of a national quota of 11,000 men, all for the Army.

The state director of selective service also announced that 1979 men were scheduled to take pre-induction mental and physical examinations in December.

The December quota will be filled with men who are at least 22 years old on December 1, with the exception of volunteers or delinquents, who may be younger.

Men scheduled to leave for Army service in December will depart from December 1 through 9, and those going for examination are scheduled from December 1 through 17.

NEW CHICKEN TASTE.

Add tarragon to a chicken that you are braising if you want delightful flavor.

VFW Officials Aid In Organization of Fisher Barracks

J. F. Bobeen, commander of District 2, Department of Texas of Veterans of World War I, met with deputy chief of staff of District 7 R. K. Williams of Ingram, quartermaster of District 2 Eugene Buchard; junior vice commander of District 2, Ben F. Bailey; and sergeant-at-arms of District 2, R. A. Redus of Rotan, Sunday at Rotan and organized a barracks to be known as Fisher County Barracks. The unit will meet the second Sunday in each month at 2:00 p. m. at the American Legion hall in Rotan.

A large crowd attended the organization meeting. Thirty-two names of members will go on the charter. The charter will remain open for 90 days so as to secure more members, it is announced.

The unit was organized to secure pensions for veterans and their widows and hospitalization for buddies who served in World War I with honorable discharges.

The organization is a fast growing veterans' group. There are now in Texas 78 of these barracks, having grown from 21 last July, making Texas now seventh in the nation.

J. M. Jones Dies at Age 84 at Family Residence in City

Another pioneer of the Hamlin area was called to his reward by the Grim Reaper last Friday morning when J. M. Jones, retired farmer, died at the family home, 153 Northeast Avenue A at the age of 84 years. He had been seriously ill for about three months.

The son of Mr. and Mrs. Allen Jones, the pioneer was born at Wolfe City on March 30, 1874. He married the former Leona Jones at Coleman in 1895. They had lived in this area for the past quarter of century. He was a member of the First Baptist Church of Brady, where they had lived before moving to Hamlin. Mrs. Jones died last year.

Funeral services were conducted Sunday afternoon at the Calvary Baptist Church in South Hamlin. Officiating were Rev. G. C. Henry, pastor, and Rev. Calvin Bailey, pastor of the First Baptist Church.

Burial was in the Hamlin East Cemetery under the direction of Hamlin Funeral Home. Pallbearers were Art Newcomb, Johnny Woods, L. C. Stinnett, Bun Brown and Langford McCracken.

Surviving the octogenarian are three daughters, Mrs. Myrtle Evans, Mrs. Jim Sedberry and Mrs. Lou Stinnett, all of Hamlin; one brother, Cecil Jones, of San Diego, California; two sisters, Mrs. J. J. Cobb of Duncan, Oklahoma, and Mrs. Charlie Babson of Buckeye, Oregon; nine grandchildren and 16 great-grandchildren.

SILENCED HIM.

He (angrily)—"Do you believe everything every fool tells you?" She (sweetly)—"Oh, no, darling, but sometimes you do sound so plausible."

District 2, reports Bobeen, is the largest district in the department of Texas, having 37 counties. Eight barracks groups have been organized in the district.

The barracks voted to have an auxiliary unit also. Mrs. J. F. Bobeen is district president of the Ladies' Auxiliary. She will be in Rotan December 14 to organize an auxiliary to the Fisher County barracks.

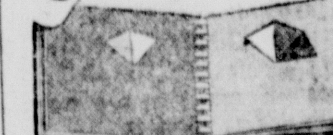

HIS INSPIRATION.

"What made you a millionaire?" "Curiosity had a lot to do with it. I wanted to see if there was any income my wife couldn't live beyond."

Annual Camp Fire Girls Fund Drive Set

Annual fund drive for the Camp Fire Girls in the Hamlin territory is scheduled to begin Monday, November 24, it is announced by Mrs. Fred Vaughn, campaign director. Solicitations will be made of business firms and individuals, it is explained.

There are now more than 100 girls enrolled in the Camp Fire Girls movement in the community, officials point out.

Orbie Fannin Opens Up Service Station

Orbie Fannin, long time worker at service stations in Hamlin, this week announces the reopening of the Conoco Service Station just south of the city hall on South Central Avenue.

Besides handling Conoco petroleum products, Fannin will stock accessories, anti-freeze and other car needs, and do washing and lubrication.

Paul Bryan Lumber Co

HAMLIN, TEXAS

YEEEEEOW—Texas mice are tough! This cross-eyed Siamese cat was a fair mouser north of the Mason-Dixon line but in the land of tough men and tougher mice, it takes a better cat than he to win. Of course, photographer Gilbert Barrera of The San Antonio Light, who arranged this feline catastrophe, admits there's more than meets the eye. But a gagman to the end, he remains gagged.

Neinda Man Catches Odd White Opossum

T. A. (Buddy) Jones of the Neinda community, south of Hamlin, was showing a white opossum in town last week-end which he had caught on his place several days ago. The animal apparently was not an albino, because it had black eyes.

Jones carried the animal to Abilene first of the week, where he hoped it would be accepted at the zoo to be viewed by people who visit that menagerie. Jones reported he was having trouble in getting the queer opossum to eat during his captivity.

Advertising is not bragging. It is merely a device to show buyers where they can get more for their money.

Services Moved Up at North Central Church

New schedule of evening services has been announced for the fall and winter at North Central Avenue Baptist Church, according to the pastor, Rev. Woodrow McHugh.

Training Union each Sunday evening will be at 6:15 instead of 6:45, and evening preaching service will be at 7:30 instead of 8:00 o'clock as heretofore.

ATTEND FUNERAL OF KIN.

Mr. and Mrs. O. L. Cohorn were in Fort Worth Friday to attend the funeral of Mrs. Cohorn's sister, who died Thursday of a heart attack. She had been ill only a few minutes when death came.

Uncle Dick Allen, Resident of Area For 50 Years, Dies

Uncle Dick Allen, 88-year-old retired farmer of the McCaulley community, southwest of Hamlin, passed to his reward Sunday shortly after noon at the San Angelo Clinic Hospital, where he had been taken two days previously. He had been ill for several months previously. Uncle Dick had been a resident of this section for half a century.

Born at Austin on February 4, 1870, he was the son of Mr. and Mrs. Madison Allen. He married the former Mattie Holmes in 1897 in Williamson County, and the couple moved to this section in 1907, where they had been farming until their retirement several years ago. Mrs. Allen died in 1943. They were members of the Primitive Baptist Church.

Funeral services were conducted Tuesday afternoon at the Calvary Baptist Church in Hamlin. Officiating were Rev. G. C. Henry, pastor, and Rev. Ben Houze of Roby.

Burial was in the Mount Zion Cemetery, west of Hamlin, under the direction of Hamlin Funeral Home. Pallbearers were W. B. Dobbins, Ray Huling, Red Myers, Roy Cooper, John Sumrall and Willie Wardell.

Surviving the pioneer are two sons, Frank Allen of McCaulley and Claude Allen of Iraan; three daughters, Mrs. Bertha Smith of Dallas, Mrs. Ollie Mae Warlick of Monroe, Louisiana, and Mrs. Ruby Cooper of San Angelo; three sisters, Mrs. Jay Howell of Slaton, Mrs. Noma Lawler of Cross Plains and Mrs. Belle Lockard of Amarillo; 11 grandchildren and 12 great-grandchildren.

North Side Singing Set in Hamlin Sunday

Regular meeting of the Jones County North Side singing will be held Sunday afternoon at the Calvary Baptist Church, on South Central Avenue, in Hamlin. The songfest will get underway at 2:00 o'clock, say singing promoters, who extend an invitation to the public to attend.

WINS SCHOOL BOSS—Charles White, negro civic leader, becomes the first negro member of the Houston school board after defeating two other candidates in the general election.

Hamlin Church Folks Go to San Antonio For State Convention

Rev. and Mrs. G. C. Henry, accompanied by Mrs. James Woods and perhaps one or two others, will leave Monday for San Antonio to attend the fifty-eighth annual session of the Baptist Missionary Association of Texas. Rev. Henry, pastor of the Calvary Baptist Church of Hamlin, with Mrs. Henry will serve as messengers from Calvary Church.

More than 1,000 messengers and visitors from several hundred churches in Texas are expected to attend this meeting. The Baptist Missionary Association is the second largest organized body of Baptist churches in Texas. The body sponsors mission work on a local, state national and foreign basis as well as Jacksonville College at Jacksonville, Texas Baptist Orphanage at Waxahachie, Christian Education at Dallas and other branches of work. Also Baptist Progress of Dallas is their weekly publication, and the Baptist Book Center at 426 West Jefferson in Dallas is their book store.

CAN YOUR TIRES PASS THIS DIME TEST?

Try it now!

DANGER! Hold dime with date down—insert in tire groove. If you can see date, tire is unsafe.

OK! Look at the difference. Dime shows plenty of tread for safer traction.

If you can see the date on the dime, you need

Film at Ferguson To Feature Actual Sinking of Big Sub

Whenever Hollywood films a story involving boats or ships, Glen Galvin, a husky former football player from the University of Southern California, is one of the first signed on for the crew—the movie crew, that is.

Glen Galvin is an under-water handyman—and one of MGM's handiest. When he enters the water he's ready for work and his concern is construction, repair and disrepair of the sets necessary for any sequence that takes place in and around aqua parks, from a glassful to a tankful to an ocean-ful.

His current assignment, MGM's Glenn Ford-Ernest Borgnine co-starring film, "Torpedo Run," for which he aided in the rigging of a submarine being sunk in action, proved one of the most exciting and hazardous jobs of his entire water career.

"A complete-in-every-detail sub was built for this picture and suspended on cables over the 90x90-foot tank on one of the stages," he explains. "When the sub was hit by a depth charge, it had to sink with all men on board. One under-water mistake on my part and they wouldn't have escaped, even though the script called for it. I had to see that every nut and bolt was exactly adjusted every hatch easy to open despite the tremendous pressure of 231,432 gallons of water."

The thrilling film plays next Wednesday, Thursday and Friday, November 19, 20 and 21, at the Ferguson Theater.

Prince Albert, consort of Britain's Queen Victoria, died of typhoid fever in 1861.

Work Being Shown By DePriest Schools For Education Week

American Education Week being observed this week at DePriest Colored Schools in Hamlin, according to E. S. Morgan, principal of the school.

Work samples and demonstrations are being displayed in the rooms at the school, and public is invited to view the exhibitions, the principal declares.

DRIVERS, KEEP ALERT.

Indian summer calls us to enter the out-of-doors to the fullest before winter overtakes us. The family will like motoring trips on the open road and along wooded country lanes. Hikers will be stimulated by the invigorating and the autumn glory of nature. Driving or walking, kept alert to your safety in traffic, advises the Texas Safety Association.

This 4-door Hardtop Cruiser is the luxurious Park Lane by Mercury. Also available in the distinctive Montclair and the popular Monterey series.

The brand NEW '59 MERCURY shows you what NEW really means

Americans are looking at the new cars with a new look in their eyes. They're searching for the best combination of all the things that count in a car. The answer in 1959 comes from this completely new 20th Anniversary Mercury.

SEE NEW CLEAN-DYNAMIC STYLING

Distinctive—Mercury has exclusive body design; it is the only car in its class that does not use a body shared by a low-priced car.

RELAX IN A NEW KIND OF COMFORT

No car in its class has more usable room. For easier entrance, doors are wider than those of costliest cars. Up front—9 inches more knee room! The tunnel-hump in the floor HAS BEEN CUT IN HALF! The man in the middle doesn't

sit with his chin on his knees. And that lower hump makes room for thicker seat cushions.

FEEL LIVELY NEW PERFORMANCE

Not just high horsepower—although Mercury offers up to 345—but a new kind of response, quiet, obedient, effortless.

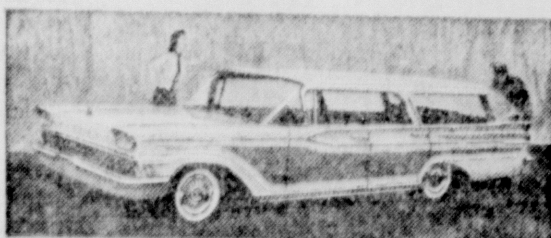

ENJOY NEW ECONOMIES

2 out of 3 new-car buyers can afford Mercury. The big special is the Monterey with its new Economy Engine. You get top performance on regular (not premium) gas—it's like "riding free" 10 miles out of every 100.

Add it up and you get everything you want on wheels—the '59 Mercury. We invite you to try this great car—at our showroom.

NEW COMFORT UP FRONT! That tunnel-hump you'll find on other '59 cars is 50% smaller in Mercury. 3 full-size riders can stretch out (including the man in the middle).

MERCURY'S COUNTRY CRUISERS—Unique hardtop styling. Retractable rear window. Fold-away 3rd seat that faces front. Concealed package compartment.

MERCURY'S FIRST WITH SIDE-TO-SIDE WIPERS—They clear a 42% larger area—a 5-foot swath—including the center section. Only Mercury has this aid to safer driving.

Everything you want on wheels

- NEW STYLING
- NEW COMFORT
- NEW PERFORMANCE
- NEW ECONOMY

All beautifully combined in the 20th Anniversary

MERCURY
BUILT TO LEAD—BUILT TO LAST

ON DISPLAY TOMORROW AT YOUR DEALER'S—TOTALLY NEW FROM ROAD TO ROOF!

Being a column in which the publisher just "blows off the steam."

By Willard Jones

LITTLE JOE is a fellow in town who notices the little things.

The other morning he went up to a sad looking man and asked: "How are you this morning?"

"Oh, all right, I guess."

"Then why don't you notify your face?" he suggested.

LAST SUMMER one Nikita Khrushchev told an American television audience that Communism would win its contest with capitalism when the Soviet's per capita production of meat, milk and butter surpassed that of the United States, reminds Clinton Davidson, columnist.

He was reminding us that a nation is as strong as its agriculture, and he was acknowledging that the balance of power between Communism and the free world is in the hands of the American farmer.

The Communist bloc has a population of almost a billion people, nearly one-half of whom are farmers. But, the 30,000,000 American and Canadian farmers have the capacity to produce more than almost half a billion Communists.

Farm experts tell us that we are operating our agricultural plant at only about 75 per cent of capacity this year while producing an all-time record supply of farm products. Our capacity to produce is being expanded at a rate of more than five per cent a year.

American production per acre is double that of Russia, and per farmer it is eight times the Russian average.

MANKIND is engaged in the great engineering feat of building lives. A mental survey shows man that directly ahead on his individual right-of-way lies many hills and valleys, all representing experiences either beneficial or harmful, pleasant or otherwise, that are to be encountered along life's road.

To follow the line of least resistance, to drift aimlessly forward with no fixed purpose in mind, is to take an up-and-down, zig-zag course that leads nowhere particularly, but is wasteful of time, energy and happiness. Those hills must be cut through, not skirted. Those valleys, perhaps representing human imperfections, need to be filled in by good, hard remedial effort ere the rails of our advancement are laid.

SUCCESS is defined oftentimes in terms of one's ability to make money—or to save it. An unknown author puts his estimation of success in these pretty words...

Success is speaking words of praise

In cheering other people's ways, In doing just the best you can. With every task and every plan. It's silence when your speech would hurt.

Politeness when your neighbors' curt.

It's deafness when the scandal flows,

And sympathy with others' woes. It's loyalty when duty calls, It's courage when disaster falls, It's patience when the hours are long;

It's found in laughter and in song; It's in the silent time of prayer, In happiness and in despair. In all of life and nothing less We find the thing we call success.

GOVERNMENT agents in Indiana impounded the two tractors that a farmer owns. In Michigan, they tie up a farmer's \$3,400 bank account. Two Oklahoma ranchers are hauled into court in Dallas and sued for \$502.

What crimes did these men commit? They planted wheat beyond the 30-acre limit, to feed their own stock, without a government permit or allotment.

Government agents aren't to blame—they're only enforcing a law that Congress passed. Nevertheless in this land of the free such events seem incredible! How ridiculous can a law get? asks the Farm Journal. When the lawmakers return in January, let's hang it.

ASSORTED KINDS.

A visitor to a hillbilly region rapped at a door and asked to buy some "corn likker."

"What kind do you want," asked the mountaineer, "courtin' likker or fightin' likker?"

Hamlin Negro to Be Tried For Alleged Rape Attack

ADDING COLOR AND FANFARE to the Stamford-Hamlin football game Friday night at the Pied Piper stadium was coronation of Ginger Rabinohn, daughter of Mr. and Mrs. G. H. Rabinohn of Hamlin, as Pied Piper Band Sweetheart. Elected as the band favorite by the bandsters, Miss Rabinohn had just been crowned and was being congratulated by Superintendent of Schools C. F. Cook in the picture above, taken at the ceremonies between halves in the grid game.

Voters of County Approve Four of Nine Amendments

Habit of Jones County voters not participating very strongly in general elections of the past held true last Tuesday when only about 1,700 of the possible 5,000 potential voters went to the polls.

Those who did go to the polls gave Democratic nominees for governor and senator the nod by big majorities and turned down five of the nine proposed amendments to the constitution. Amendments No. 3, 4, 8 and 9 carried in Jones County, the latter by only three votes. All but the first two amendments on the slate carried in the state as a whole, these being against annual sessions of the Legislature and pensions for county employees.

For governor, Price Daniel was given 1,619 votes to Mayer's 81 by Jones County voters. In the Senate race Ralph Yarborough got 1,467 and Whittenburg 180.

The Jones County candidate for commissioner of agriculture on the Republican ticket, Grover C. Carothers of Stamford, carried his home box 120 to 115, but received only 246 votes in the county to White's 1,409.

Some 3,378 votes were polled in the July primary election in Jones County.

County vote on the amendments was as follows:

1. Annual Sessions: For 394, against 999.
2. County Pensions: For 367, against 1,008.
3. Filling Vacancies: For 926, against 471.
4. Candidate Eligibility: For 708, against 627.
5. City Elections: For 511, against 839.
6. Ranger Pensions: For 582, against 827.
7. State Advertising: For 555, against 742.
8. Medical Payments: For 791, against 664.
9. Hospital Districts: For 675, against 672.

Final tabulations by the Texas Election Bureau on the state vote on the amendments follows:

1. Annual Sessions: For 173,518, against 885,537.
2. County Pensions: For 216,991, against 313,188.
3. Filling Vacancies: For 390,045, against 159,806.
4. Candidate Eligibility: For 360,151, against 187,156.
5. City Elections: For 281,481, against 240,118.
6. Rangers Pensions: For 324,500, against 211,528.
7. State Advertising: For 277,903, against 258,013.
8. Medical Payments: For 333,139, against 213,853.
9. Hospital Districts: For 288,758, against 230,035.

REALLY TURNED AROUND—Two colored men, L. C. Thomas, 34, and Alvis Rucker, 17, driving west of Hamlin late Friday about seven miles out, decided to turn around and head back for town. But Thomas, who only recently had purchased the 1958 Mercury with money received from insurance on the loss of his right leg below the knee, cut the car too sharp. The car flipped completely over on its top, as shown in the picture above. The men were only shaken up a bit. Pictured are (left to right): Rucker, State Highway Patrolman Walter Lee Wood of Roby, Benney Watson (in background) and Thomas.

Special Recognition Given to 4-H Club Youths at Banquet

Balloting for Six Directors of BDC Being Conducted

Voting on six new directors for the Hamlin Board of Community Development was underway this week among members of the civic organization as ballots sent out by mail were being marked for tabulations. The six to be named to the board of directors will serve three-year terms for the years 1959, 1960 and 1961, it is pointed out by BCD President Carl Murrell.

The ballots are due to be turned in by Friday, November 14.

Seventeen names are on the ballot for checking by members of the BCD. The names were selected by a nominating committee named several days ago by Murrell.

On the ballot are the following nominees: Arlie Castle, Bill Foster, Lester Minton, Mrs. C. R. Reynolds, Joe Simpson, Mrs. Jess Young, L. R. Witt, Doc Sims, Bill Harbert, Rev. Calvin Bailey, Mrs. Billy Joe Wilson, Aaron Wells, Frank Bayouth, Jim H. King, L. R. Riddel, Fred Smith and Jimmy Simmons.

his missionary tour in Honduras, Central America, will be related Sunday evening at 7:00 o'clock at the Hamlin Assembly of God Church by Ben H. LaFon, pictured above, who is home on a furlough from his mission field.

RODGERS HAVE GUESTS.

Mr. and Mrs. James Rodgers and children of Fort Worth, Mr. and Mrs. Ellis Posey and children of Lubbock visited their parents, Mr. and Mrs. Edd Rodgers, at Hamlin over the week-end.

Annual Gold Star Awards Presented Anson Youngsters

More than 200 4-H Club boys and girls of Jones County, adult leaders and sponsors and several invited guests attended the first annual 4-H Club achievement banquet, Saturday evening in the high school cafeteria at Anson.

Following the banquet, feature of the program was the awarding of 49 special awards to members of the 4-H Clubs of the county. Gold Star awards, highest given on the county level, were presented to John Mitchell and Judy Simmons, both of Anson.

Following the invocation by Bill DeBusk, musical numbers were provided by Birger Haterius. The opening ceremony was presented by Barbara Shuquist. Welcome

See 4-H AWARDS—Page 8

Booster Club Will Sponsor Caravan To Anson Grid Tilt

Pied Piper Booster Club will sponsor a caravan of fans to the county seat Friday night for the final football game of the year between Hamlin and Anson, it is announced by Duane Stallcup, president of the booster group.

All football fans are requested to meet in front of the high school not later than 6:30 o'clock to have their cars decorated by girls of the High School Pep Squad.

After arrival at Anson, the Pied Piper football fans will meet at the southwest corner of the Anson football field to escort the Piper team onto the field shortly before the start of the game.

"Everyone is requested to participate in giving the Pipers a big send-off in their final game of the year," says Stallcup. "This certainly will be a game that all will want to see since it will be a feature of the Anson homecoming, and both teams are pretty well matched. We believe it will be a hard fight all the way for both squads. So we urge all fans to get behind the Pipers and show them your support and appreciation for one of the finest sports in America today."

Indictment Made By Grand Jury At Sweetwater

Nolan County grand jury last Wednesday afternoon indicted on a charge of rape a 44-year-old Hamlin negro in connection with an attack on a 72-year-old Sweetwater white woman at her residence north of town on the night of August 28.

Held in Nolan County jail since August 30, Robert Shelton Jr. a few days later was charged before Justice of the Peace Leonard Teston. The case against Shelton is circumstantial.

District Attorney Eldon Mahon said Wednesday night that, although the woman he is accused of raping has seen Shelton, she has not identified him as her attacker.

"I think it is impossible for her to identify anyone as the actual attacker," Mahon said.

He added that the description the woman gave of the attacker fits Shelton, since she has always described him as a dark complexioned man who could be a negro.

When she talked to officers shortly after the attack, the woman had described him as about 30 years old, five feet 11 inches or six feet tall.

The attack occurred at night, however, and the only light in which the woman ever saw her attacker was in the moonlight.

Shelton was arrested at Longworth, southwest of Hamlin, by Fisher County officers.

On August 30 Shelton underwent a lie detector test at Lubbock along with another suspect being held at that time in connection with the same investigation.

Shelton told officers at Sweetwater that he had been released from California state prison a short while prior to his arrest at Longworth.

Trila of criminal cases in the Sweetwater district court is scheduled to begin November 17.

Mr. and Mrs. Lawrence Cook of Post are announcing the arrival of a daughter November 11. Lisa Kim weighed six pounds eight ounces on arrival. Grandparents are Mr. and Mrs. C. F. Cook and Mr. and Mrs. Travis Hubbard, all of Hamlin.

The stork has been kept busy at Hamlin Memorial Hospital since last week's report in The Herald. He delivered seven new citizens, four of whom were boys and three girls. They were—

A boy for Mr. and Mrs. Franklin Kiker of Snyder was born November 1. Weighing in at seven pounds eight ounces he was assigned Stephen Wayne as a moniker.

A boy for Mr. and Mrs. Wayne Yarborough of Aspermont arrived November 4. Steven Kelly was given as a name to the seven-pound four-ounce lad.

A girl was born to Mr. and Mrs. C. L. White on November 4. The five-pound 15-ounce little miss was labeled Cindy Lou.

A boy for Mr. and Mrs. Presto Gardner of Swenson on November 4. Weighing six pounds 12 ounces the fellow had not been named a copy time.

A girl arrived for Mr. and Mrs. H. L. Mehaffey of Hamlin on November 5. Tipping the scales a light four pounds 12 ounces, she had not been named at copy time.

A boy for Mr. and Mrs. Sanitar (Jimmy) Trevino of Anson on November 6. Lightweight of the new arrivals at three pounds 12 ounces, no name had been assigned at copy time.

A girl was born to Mr. and Mrs. J. J. Parsons of McCauley on November 7. The eight-pound 14-ounce lady was named Katharine Lanell.

10,228 Area Acres Placed in Soil Bank

With the deadline passed to apply for 1959 conservation reserve contracts, Jones County Agricultural Stabilization and Conservation Committee Chairman R. G. Rowell reports that a total of 108 farmers have filed applications to place 10,228 acres of land in this soil bank program.

Following an analysis of the applications as required by soil bank regulations, including a physical check of farms for which cropland has been offered for the program, successful farmers will be notified that 1959 conservation reserve

Business on Quiet Side in City Tuesday

Business activity in Hamlin was on the quiet side Tuesday as most firms were closed for the day in observance of Veterans Day as a legal holiday. Veterans Day is one of six designated holidays approved first of the year by a vote of the business establishments and professional men of the city.

Hamlin schools did not observe the day, inasmuch as a long holiday period is planned for Thanksgiving, explains Superintendent of Schools C. F. Cook.

Ministerial Alliance Makes Plans for Union Thanksgiving Service Nov. 26

Plans were made Monday morning at the monthly meeting of the Hamlin Ministerial Alliance for the annual union Thanksgiving service, which will be held at the First Methodist Church on the evening of Wednesday, November 26, at 7:30 o'clock, according to Rev. Calvin Bailey, president of the ministers' group.

No mid-week service will be held at the various participating churches that week, but a combined special program is scheduled, as in recent past years.

The program as tentatively arranged Monday follows:

Prelude by Organist Mrs. Brad Rowland Sr.

Hymn, directed by Rev. Gene Moore, pastor of Faith Methodist Church.

Invocation by Rev. G. C. Henry, pastor of Calvary Baptist Church.

Anthem by the choir of the First Methodist Church, directed by Mrs. Willard Maberry.

Scripture reading by Rev. Edmund W. Robb, pastor of First Methodist Church.

Hymn.

Offering for the alliance's trans-

Skelly Oil Test East of Sylvester Completed

Skelly Oil Company completed its No. 1-B McCain oil test as a producer two miles east of Sylvester and nine miles southwest of Hamlin in the Sylvester (Goen) Field this week. It is in Section 48, Block 1, H T & B Survey.

Daily potential was 93.04 barrels of 44.3-gravity oil, flowing through a quarter-inch choke with 200 pounds pressure on casing and 75 on tubing. Flow was from 32 perforations at 5,392-5,400 feet. Casing was set at 5,448 feet, total depth. Gas-oil ratio was 790 to one.

Special music by Rev. and Mrs. Gene Moore.

Message by Rev. R. T. Jarrell, pastor of Church of the Nazarene.

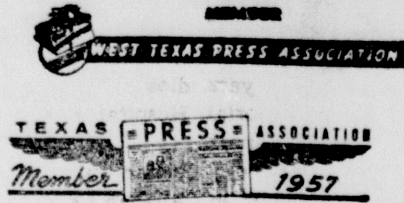

Hymn.

Benediction by Rev. John Holland, pastor of Foursquare Gospel Church.

THE FARMERS HAVE A RIGHT TO CHOOSE PLAN

Have you ever voted "socialist?" Some of you farmers may have without realizing it, though the party label may have said Democrat or Republican, observes the Farm Journal.

Not many farmers are socialists. Yet large numbers of farmers and the rest of us must unwittingly have been voting that way. The evidence appears in the fact that our government has come so far down that road. We who elect the Congress and the president must be the responsible persons.

Socialism means government ownership and management of production and distribution. Obviously we haven't gone all the way, but just as obviously that's the direction we're heading.

Not all socialism is necessarily bad. Of course, there are services that all of us want government to handle for us. The question is how much of it we want. The trend is for more and more.

If we want the government to fix and control prices, to be in businesses that private enterprise can run better, to take more and more from those who work and earn and give it to the less industrious, to make it harder

for the thrifty to provide for themselves; to assume more of the powers that belong to states and counties; to spend ever vaster sums of money, go deeper into debt and cause our dollars to shrink further in value . . . then we do want more socialism. And we will get it, because these are things some politicians like to do.

Also, we shall get ever heavier taxes, ever greater deficits and steadily advancing inflation.

If voters show that the majority seems to prefer men in Congress who vote consistently for bigger spending, more give-aways at home and abroad, and more federal power, two years from now more of the candidates in both parties will be running on socialistic platforms.

On the other hand, if the public gives its support to those courageous and wise leaders who have fought against bigger spending, who have fought for the rights of people to govern in their own states and localities, the trend to socialism may be slowed up.

A socialist-United States will no longer be the land of opportunity and will not forever be even a land of security.

Youths Registering Late

Some state draft boards are complaining that an increasing number of youths are registering late under provisions of the selective service law. Colonel Morris S. Schwartz, state selective service director, reminded draft-liable men this week that it is their duty under the law to inform themselves as to the proper time to register.

Several misconceptions about the legally required time to register cause most of the late comers, Colonel Schwartz thinks. There is some belief among young men that they can wait until they are 18½ years old to register. As a matter of fact, the law requires that a man register on his eighteenth birthday or within five days thereafter. Colonel Schwartz pointed out that all males born since August 30, 1922, are legally obligated to be registered under existing law, except those not yet 18.

Some young men think that membership in the National Guard or the reserves excuses them from registration, but it does not. If a young man joins the regular services for full time duty before he is 18, he does not have to register when he is 18 if he is still in service.

But when he gets out, the law requires that he go to a draft board and register within 30 days. For example, if he joins the Army at 17 and stays in 10 years, he must register for the draft at age 27. The law would not obligate him for further service currently, but it obligates him to register.

Nuggets of Thought

To me old age is always ten years older than I am.—Bernard M. Baruch.

The past cannot be changed, the future is still in your power.—Hugh White.

Life is a magic vase filled to the brim; so made that you cannot dip into it nor draw from it but it overflows into the hand that drops treasures into it—drop in malice and it overflows hate, drop in charity and it overflows love.—Ruskin.

In America we can say what we think, and even if we can't think, we can say it anyhow.—Charles F. Kettering.

If you keep your mind sufficiently open, people will throw a lot of rubbish into it.—William A. Orton.

If you have nothing else to do, look about you and see if there isn't something close at hand that you can improve! It may make you wealthy, though it is more likely that it will make you happy.—George M. Adams.

The beautiful in character is also the good, making indissolubly the links of affection.—Tennyson.

Don't Say: I Don't Care

"I don't care!" Four times within a week the writer heard those words. The very expression, so commonplace in our conversation, is frightening.

First, they were spoken by a child selfishly demanding a better dress than her plainly garbed mother could obviously afford. To every explanation the child's answer was, "I don't care; this is what I want."

Next, it was a parent summoned before the police magistrate for the misbehavior of a son. Asked whether he knew his boy's associates, he retorted, "I don't care who they are."

Then it was a husband confronted with divorce proceedings; and, lastly, a 27-year-old man facing the penitentiary for armed robbery. By willful deed, as well as by word, each of these was intent upon breeding heartache and disaster.

How often do we say, "I don't care," when some detail of our work demands closer attention than we have been giving it; or some responsibility in our home tries our patience? They are tragic words too lightly spoken, too quickly fatal.

Editorial of the Week

AFTERMATH IN HUNGARY.

Two years ago at this time the heroic and ultimately tragic events of the Hungarian revolt were taking place. Today the people of Hungary appear to have accepted their fate with resignation, at least for the present.

Yet it would be inaccurate to say that nothing has been changed by the grim sacrifice of people who faced Soviet Army rifles and tanks to try to hold the measure of freedom they momentarily had grasped.

The world knows, as it began to sense from the East German riots of 1953, that any pretense the satellite peoples wish to be ruled by Communists is a lie.

Another continuing effect of the revolt is the fact that the government under puppet Premier Kadar has relaxed exactions from the Soviet Union so as to improve somewhat the supply of food and clothing for Hungarians. Many small craftsmen are allowed to continue private business, and peasants have been relieved of compulsory grain deliveries.

These reports tend to indicate that Communist tyrants recognize a possible limit to their authority and do not wish to court another rebellion. Even Soviet actions hint some response to world opinion. It is encouraging that those familiar with the situation believe the pressure of a UN debate would help rather than harden the situation of people in the prison countries.—Christian Science Monitor.

RECALLING Other Years

★ Being news items taken from old files of Your Home - Town Newspaper, The Herald.

THIRTY YEARS AGO

In checking over our early day files of The Hamlin Herald we find the following items of interest taken from the issue dated November 16, 1928:

Featured at the Mutual Theater this week-end is Irene Rich in "Powder My Back" and the last episode of "Mark of the Frog."

The Ladies' Shop advertises ladies' coats at \$9.95 to \$29.75; Marcy Lee house dresses at \$1.79; ribbed hose, 49 cents.

Superintendent and Mrs. C. G. Green entertained members of the faculty of Hamlin School at a Halloween party Wednesday night in their home on Hop Avenue. Attendants included Misses Porter, Garner, Roberts, McCandless, Eddington, Cogswell, Gladys Rowland, Lila Milstead, Nella Black, Merlyne Musick, Ouida Evans, Gladys Davis, Ruth Kemp, Ruth Wilson, Lois Bradford, Thelma Switzer, Beatrice Childers and Mmes. Green and Rowe; Messrs. Green, Brown, Rowland, Ishill, Clyde Huff, Denman Morgan, R. N. Fairry, Howard Greenway, Cleve Griffin and Spurrell Ellison.

Jessie Lee Mowery of San Angelo is spending this week as a guest of Ione Kirkland.

TWENTY YEARS AGO

Among items of interest in the Hamlin community 20 years ago were the following, reprinted from the issue of The Hamlin Herald November 11, 1938:

Evangelist Horace W. Busby of Fort Worth will begin a series of gospel services at the Hamlin Church of Christ Friday night.

Hamlin Future Farmers of America chapter members were hosts last Monday night to their dads at a banquet at the Morgan Hotel. M. B. Templeton is advisor for the group of boys.

Monday morning a blanket of snow covered the Hamlin territory to convince any doubters that winter has come.

Mrs. J. D. Greenway and little son, Don, of Peos came last Saturday to spend a week with their parents and grandparents, Mr. and Mrs. O. K. Wilson and Mr. and Mrs. Carl Greenway.

Hamlin Masons will entertain Masons of the district Monday evening in the local lodge hall.

TEN YEARS AGO

News items of interest in the Hamlin community 10 years ago included the following, reproduced from the issue of The Hamlin Herald dated November 11, 1948:

Colorado City Wolves defeated the Hamlin Pied Pipers 19 to 6 in their third conference football game of the year Friday night.

J. H. Foster, chief of police in Hamlin, acting on a hunch last Thursday night, arrested Thomas Henderson, former Hamlin resident recently released from the state penitentiary at Huntsville, in possession of a stolen pick-up which he had taken from F. A. Durham of DeKalb the day before.

Betty Maynard, 17-year-old girl of the Neinda community, died in an Abilene hospital early Sunday morning from injuries sustained two hours earlier in a car wreck 14 miles south of Abilene. She was accompanying Marvin L. Mantooth, 18, of Abilene, when their car overturned at the intersection of the Coleman and San Angelo highways. She was the daughter of Mr. and Mrs. W. L. Maynard.

FIVE YEARS AGO

Goings-on in the community five years ago included the following, as recorded in The Hamlin Herald dated November 13, 1953:

Due to recent rains and warm weather several fruit trees in the section have put out blooms, and weeds are again putting out.

Mrs. A. W. Knight, 34-year-old Hamlin woman, was killed last Friday night when the pick-up in which she and her five children and another woman were riding overturned west of Stamford on Highway 92.

ONE YEAR AGO

The following news bits were taken from the issue of The Hamlin Herald dated November 14, 1957:

Extension of the railroad connecting with the Santa Fe line out of Hamlin at Presidio and onto Chihuahua is being planned by Mexican government officials, who conferred with American officials at Chihuahua last week. The line would be extended 16 miles to Aldama.

Woodrow Goodwin and Winston Gray, young men of the community, are to be ordained in services Sunday at Fairview Baptist Church.

A. J. Castleberry, Former Resident, Dies at Seminole

Several Hamlin area relatives and friends went to Seminole last Saturday to attend the funeral of Amon Jasper Castleberry, 78-year-old former resident, of this area and brother of M. H. Castleberry of Hamlin.

Castleberry died last Friday at his home in Seminole after a long illness.

Born February 14, 1880, in Nashville, Tennessee, he came to Texas as a young man. He came to the Hamlin section in 1908, and farmed south of town until 1920, when he was employed by the Texas Cement Plaster Company (now Celotex) mill, which place he retained until 1927. He moved to Seminole in 1927, and farmed there until his retirement several years ago.

Survivors include his wife, Mrs. Lena Castleberry of Seminole; two sons, Lewis Castleberry of Seminole and Stanley Castleberry of Shallow, Arizona; two daughters, Mrs. Jack Harvey of Seagraves and Mrs. Bonnie Pittman of Phoenix, Arizona; three sisters, Mrs. Betty Duffe of Caddo Mills, Mrs. Rosie Goble of Houston and Mrs. Virgie Drennan of Stamford; and one brother, M. H. Castleberry of Hamlin.

CLIBURN MARCHES IN PROCESSIONAL—Famed young pianist Van Cliburn walks with faculty of Baylor University in Waco as group marches across the campus to convocation where the talented Kilgore musician received an honorary doctor of humanities degree. At Cliburn's right is Hilton Howell, Waco attorney, who is chairman of Baylor's board of supervisors.

FAVORITE CRONY.

Jones—"You did a favor for me 10 years ago."
Brown—"And you've come to repay me?"
Jones—"No, I just got into town and need another favor."

MORE TO LEARN.

"Yes, I'll give you a job. Sweep out the store."
"But I'm a college graduate."
"Okay, I'll show you how."

Livestock Survey Being Made Over Rural Mail Routes

Postmaster Perry Sparks announced this week that rural mail carriers will begin distributing December 1, 1958, livestock survey cards to patrons on their routes about November 20.

This annual livestock survey, which your post office and department of Agriculture cooperatively have made since 1924, provides basic information to the Texas Crop and Livestock Reporting Service in Austin for estimating the number of cattle, hogs, sheep and chickens on Texas farms and ranches.

In order that our area be well represented in the survey, Postmaster Sparks requests that each patron receiving a card fill out and return it to his mail box for prompt pick-up. Rural mail carriers working on this project are Ira A. Clements, Route 1; Harold Bonner, Route 2; and Jack Russell, Route 3.

Visitor—"What's the matter? You look worried."

Farm Hand—"Work, work, work! Nothing but work from morning to night!"

Visitor—"How long have you been at it?"

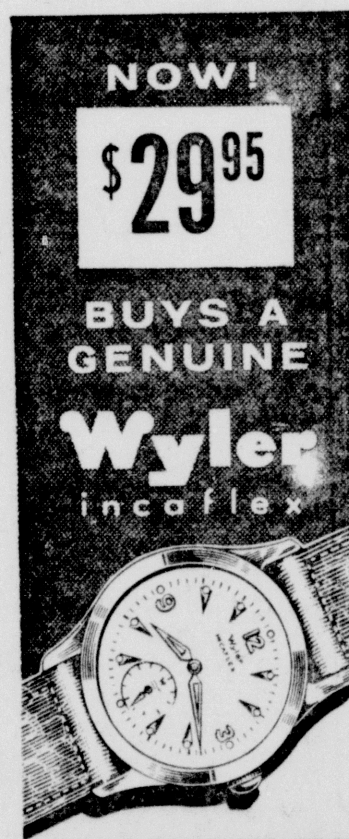

Farm Hand—"I start tomorrow."

Tate May Renamed to Hardin-Simmons Board at Convention

Tate May, Hamlin banker, was renamed to the board of trustees of Hardin-Simmons University at Abilene last week. The action came on the final day of the Baptist General Convention of Texas annual meeting in San Antonio's municipal auditorium.

Hardin-Simmons is one of 11 schools owned and operated by the convention. The schools have spent more than \$5,500,000 for new buildings and renovations during the past three years and now have assets totaling more than \$63,000,000.

The schools are now in capital fund campaigns for nearly \$4,000,000. More than 11,000 regular students are enrolled in the colleges, with about 3,500 more served through extension classes and correspondence courses.

4-H AWARDS

(concluded from page one)

was made by David Grissom, and Mrs. Woodrow Simmons responded for the parents. Club members presented their parents, and Mary Grissom, county home demonstration agent, introduced the awards.

Awards were presented by various adult leaders. County Agent Kirby Clayton introduced the speaker of the evening, Dr. Hugo B. Haterius of Ericksdahl, long time leader in 4-H work in the county.

The following awards were presented to 4-H Club boys and girls for outstanding achievements during the past year:

Achievement Awards — Linda Huber of Anson, Rita Coker of Anson, Stanley Harvey of Lueders and Phillip Newsom of Lueders.

Boys' Agricultural—Billy Fallmon of Avoca, Billy DeBusk of Anson, Stephen Haterius of Ericksdahl and Gary Cauble of Hamlin.

Clothing—Margaret Renfro of Hamlin, Cheryl Stephenson of Anson, Betty Huffaker of Avoca and Beverly Garrett of Avoca.

Dairy — Richie Cox of Anson, Judy Moritz of Ericksdahl and Mike Holloway of Anson.

Dairy Foods Demonstration—Martha Garrett of Avoca.

Dress Revue—Judy Simmons of Anson and Phyllis Roberts of Anson.

Electric—Barbara Shuqust of Avoca, Marverine Shuqust of Avoca and David Grissom of Ericksdahl.

Field Crops—Clifford Mitchell of Anson and John Mitchell of Anson.

Food Preparation—Anna Cheryl Adams of Hamlin.

Gardening—Dan and Van Newberry of Hamlin.

Girls' Home Economics—Helda Putman of Avoca and Sandra Garrett of Avoca.

Health—Larry Grimm of Hamlin and Carolyn Bagley of Anson.

Home Improvement—Betsy McCoy of Hawley and Zella Agee of Avoca.

Leadership—Jimmy Roberts of Anson and Patsy Wade of Anson.

Poultry—Grady Read of Ericksdahl and Bill Culver of Lueders.

Public Speaking—A. H. Roberts of Anson.

Recreation—Ingrid Haterius of Ericksdahl, Mimi Sue Olson of Ericksdahl, Carl Wade of Anson and Lester Dalton of Anson.

Swine—Ronnie Bagley of Anson, Jimmy Sasser of Anson and Terry Touchstone of Noodle.

Citizenship—David Lundgren of Ericksdahl, Ann Hansen of Ericksdahl and Johnny Riddle of Ericksdahl.

Gold Star Winners—John Mitchell of Anson and Judy Simmons of Anson.

There are few things a pretty girl cannot have, if she combines personality with judgment.

Native of Hamlin, J. R. Bonds, Dies In Auto Accident

Jesse Richard Bonds, 43-year-old native of Hamlin, who has been living at Roswell, New Mexico, for several years, was killed instantly when his car went out of control on a highway near Roswell Sunday.

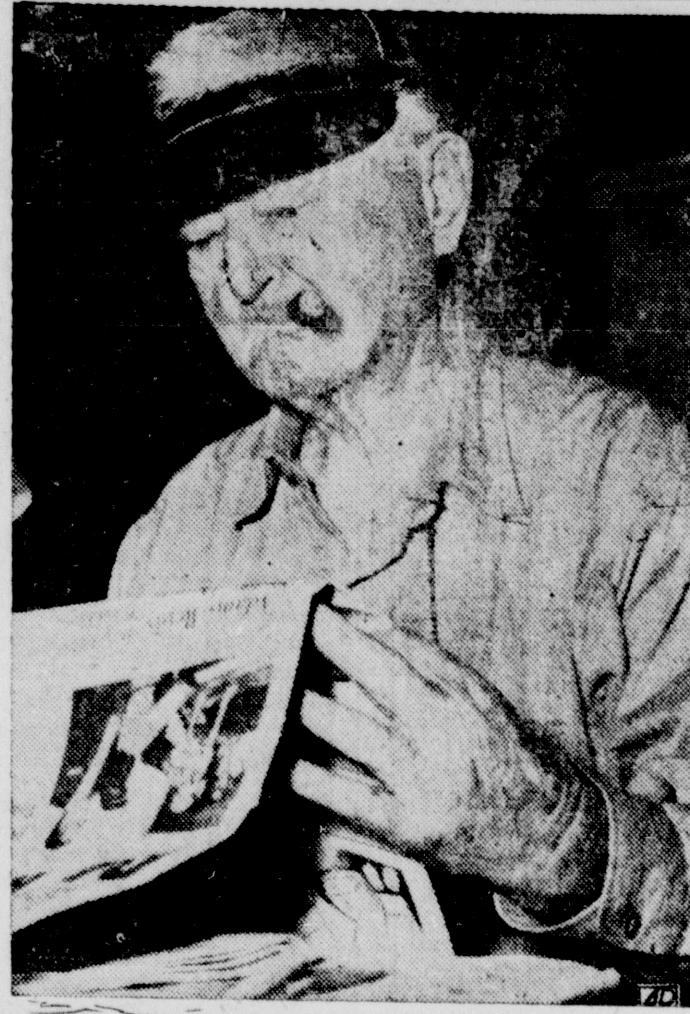

Bonds, the son of Mr. and Mrs. Joe Bonds of Hamlin, was born east of town on May 4, 1915. He had attended Hamlin schools. He had been manager of a food store in Roswell for nine years. He was a member of the First Baptist Church of Roswell.

Funeral services were conducted Wednesday afternoon at the Mason Funeral Home chapel, with arrangements in charge of that funeral home. Rev. John Dennis, pastor of the Roswell First Baptist Church officiated. A number of relatives and friends attended the services from Hamlin.

Burial was in the Roswell Cemetery.

Surviving the former Hamlin man are his parents, Mr. and Mrs. Joe Bonds Sr. of Hamlin; his wife, one son, Patrick Joe Bonds of Stamford; and two brothers, L. C. Bonds and Joe Bonds Jr., both of Hamlin.

Get rubber stamps at Herald.

FORMER VICE PRESIDENT TAKES IT EASY—John Nance, Garner, who will celebrate his ninetieth birthday November 22, keeps up with local, national and international events by reading the daily newspaper in his home at Uvalde. The former vice president looks, acts and talks like a man at least 20 years younger and is far from being lonely, for numerous visitors knock on the door of his little house every day.

Mrs. S. T. Long, 87, Dies Friday After Lengthy Illness

Funeral for Mrs. S. T. Long, 87-year-old Hamlin resident for the past five years, died Friday in Hamlin Memorial Hospital after a lingering illness.

Born Elizabeth Butler on November 8, 1871, in Callahan County, she married J. M. Griffith in Fannin County in 1886. He died in 1935. She married S. T. Long on August 12, 1953, in Hamlin, where the couple had lived since.

Funeral services were conducted Saturday afternoon in the Four-square Gospel Church in Hamlin. Rev. John Holland, pastor, officiated.

The body lay in state at the Lawrence Funeral Home in Anson until service time. Burial was in the Hamlin East Cemetery under the direction of Lawrence.

Survivors include her husband, S. T. Long of Hamlin; three sons, Gerald Griffith of Memphis, Bonnie Lee Griffith of Plains and J. N. Griffith of Stamford; four daughters, Mrs. W. B. Holiday of Roswell, New Mexico, Mrs. Julia Maxwell of Port Lavaca, Mrs. L. B. Woods of Concord, California, and Mrs. Turbinsville of Arkansas; eight step-children, G. G. Long and E. M. Long, both of Hamlin, Dawson Long of Anson, William Long of Redlands, California, A. J. Long (address unavailable), Mrs. Gid Smart of McCaulley, Mrs. Lee

Hamlin Exes Will Go Tech Homecoming at Lubbock Next Week

Numbers of Hamlin area residents will be among attendants next week at the twenty-ninth annual homecoming of Texas Technological College at Lubbock. The gathering, scheduled November 21 and 22, will have a full schedule of fellowship and football.

Thousands of exes are expected to return for a homecoming queen coronation and appearance of Comedian Bob Hope Friday, November 21, and a homecoming parade, luncheon, Tech-Arkansas football game and dance Saturday, November 22.

Mixed with the major features will be dozens of receptions, teas, parties and class reunions.

The territory of Alsace-Lorraine has changed hands four times in the past century.

Smart of Seagraves and Mrs. Bonnie Lee Griffith of Plains; one brother, J. R. Butler of Midland.

Mrs. Jimmy Ray, Recent Bride, Made Honoree at Gift Tea in Lock Home

Mrs. Jimmy Ray, nee Barbara Bell, was honored at a gift tea October 30 from 6:00 to 8:00 p. m. in the home of Mrs. Don Lock.

Mrs. Lock greeted guests at the door and presented them to Mrs. Ray, the honoree; her mother, Mrs. C. M. Bell; and her mother-in-law, Mrs. H. H. Ray. Ones in the receiving line were feathered corsages of white chrysanthemums, gifts of the honoree's sisters, Mrs. Ann Ray.

Mrs. W. O. Willbanks directed guests to the serving table.

The table was laid with white cut-work cloth over blue and centered with an arrangement of pink carnations sprinkled with silver glitter in an authentic Fenton glass bowl. Crystal and silver appointments completed the table arrangements.

Mrs. J. B. May and Mittie Ann Ray, sisters-in-law of the honoree presided at the table, assisted by Wynne Conner.

Mrs. Floyd Briscoe directed the guests to the rooms where gifts were displayed by Mrs. W. C. Lockhart and Mrs. F. T. Wallace.

Carolyn Sue Ray registered the guests, and Mrs. W. H. Hallmark said the good-byes.

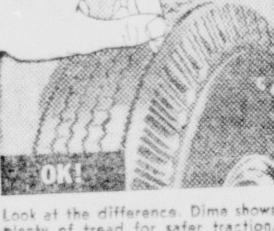

Mrs. John Riddle, also was a hostess but was unable to attend the tea because of family illness.

Vocational Nurses Hear Hamlin Woman At Anson Gathering

Monthly meeting of the Licensed Vocational Nurses Association was held Thursday evening in the Anson Hotel dining room. Guest speaker was Mrs. E. Kraft, R.N.A. of Hamlin, whose subject was "Anesthesia in Relation to the Patient and the Vocational Nurse."

As an added feature each member brought a "white elephant" which was auctioned off and the money added to the treasury. Auctioneer was Elva Lou Cox.

Mrs. Geneva Baum of Anson was selected nurse of the month for her nursing ability and outstanding work. She was presented a corsage from Lawrence's Flowers of Anson.

Refreshments were served to 13 members and the guest speaker. Hostesses were Mmes. Thelma Maddox, Hazel Higdon and Arzelle Voss.

Next meeting of the LVNA of Jones County will be held Thursday evening, November 20, at 7:30 p. m. with Dr. Knox Pittard of Anson General Hospital as speaker. Reports from the recent state convention also will be given.

Common Colds Often Caused by Improper Nutrition, Says Agent

Changing temperature, fatigue, too much food or not the right kind, tension and excitement—all are factors in lowering body resistance to the common cold.

Food makes a difference, reminds Jones County Home Demonstration Agent Mary Y. Newberry. It is important to start family members with a good wholesome breakfast every day; then follow through with wholesome, balanced meals at noon and at night. Plan to eat at regular times as much as possible and reserve the sweet or rich foods for meal-time desserts. Keep in-between refreshment snacks light and nutritious. Fruits, fruit juices, crisp, colorful vegetables served with special dips can be just as tasty and appealing as rich, heavy foods.

"Good Meal Every Day," a bulletin written by extension foods and nutrition specialists, gives suggestions for planning daily meals, and buying, preparing and serving food. Copies are available from the county home demonstration agent's office.

Presentation of Gold Star Awards to 4-H Leaders Climaxes Years of Work

Presentation of the annual Gold Star Awards to a Jones County 4-H Club boy and girl Saturday evening at the annual achievement banquet at Anson was the climaxing event of the gathering of more than 200 boys and girls, adult leaders and special invited guests.

The awards went to John Mitchell and Judy Simmons, both of Anson 4-H Clubs.

Judy Simmons of the Anson Junior Leaders 4-H Club, is the 1958 Gold Star girl, announcer Mary Y. Newberry, Jones County home demonstration agent. The Gold Star Award is the highest award a 4-H boy or girl can receive on a county level. Judy is the 17-year-old daughter of Mr. and Mrs. Woodrow Simmons of Avoca.

Judy is president of the Anson Junior Leaders 4-H Club and has been a club member for seven years. She has served as secretary and treasurer for three years, and is now treasurer of the 4-H Club Council. She was alternate to the district council in 1957 and was elected delegate to district council in 1958. She is now serving as secretary of both 4-H club-committee of program building and program building extension council.

She has carried demonstrations in clothing for five years. She was junior county winner in the dress revue in 1954. She was senior county dress revue winner in 1957 and 1958, and participated in the district dress revue both years. She was state alternate to the dress revue in 1957. Judy also carried demonstrations in bedroom improvement, recreation and foods. She was a member of the first place district winning team in 1957 in a vegetable team demonstration.

This team won third place in state that year.

Judy takes an active part in church, Future Teacher and the American Junior Rodeo Association. She has been an officer in the National Honor Society at Anson High School. She is senior beauty, homecoming queen candidate and a member of the school annual staff.

The agent presented Judy the Gold Star Award.

John Mitchell, 17-year-old son of Mr. and Mrs. C. O. Mitchell of Anson, received the Gold Star Award for 4-H Club boys in the county. He is a member of the Anson Junior Leaders 4-H Club having been in club work for six years.

John won the entomology, electricity, leadership, achievement and swine awards.

Projects carried on by young Mitchell have included capons, swine, grain sorghums, cotton, small grains, leadership, electricity, entomology and citizenship.

He served as club reporter and council delegate of his club. He was twice district winner on the entomology team that went to the state Round-Up at A. & M. College for state competition.

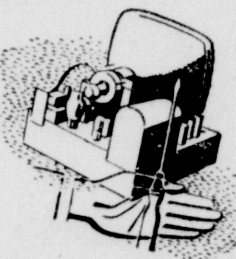

John graduated from Anson High School last May and has since been working on the farm and part time at a service station in Anson.

He won a Sears gift in the essay awards program and a Sears boat in this program. He won the grand championship on his gift in the Jones County Club Boys' Livestock Show in the the Sears program.

The Gold Star boys and girls of District II and their parents will be honored at a Gold Star banquet at Vernon on December 6.

North Central Baptist Adult Training Union In Social Gathering

Members of the Phillips Training Union of the North Central Avenue Baptist Church met in the home of Mr. and Mrs. Sid Clay for their monthly business and social meeting last Thursday evening.

The session was called to order by the president, Mrs. V. Madden. Song service was led by Mrs. L. H. Clark. Opening prayer was offered by Rev. Woodrow McHugh, and devotional was brought by Robert Rhoton Sr.

Refreshments were served to eight members and nine visitors. There will be another meeting of the group November 28 in the Robert Rhoton Sr. home.

Program on Clothing Care Given at Meet Of Friendship Club

A program on the care of clothing was featured when members of the Friendship Home Demonstration Club met Friday at the oil mill guest house.

The vice president, Mrs. Gean Witt, had charge of the business session in the absence of the president, Mrs. Sol Branscum. Mrs. W. H. Murphree gave the council report. Mrs. John Hix gave a report from the Woman's Forum and Mrs. Jack Collins gave a treasurer's report.

Mrs. E. G. Young and Mrs. M. S. Johnson presented an interesting program on "Care of Clothing."

Cookies and coffee were served to Mmes. Jackie Collins, W. H. Murphree, Gean Witt, M. S. Johnson, R. M. Young, M. F. Green, E. G. Young, John Hix, H. B. Gardner and Emma Kay Nall.

Most people are befogged by figures, one kind or another.

Public Education Goes Long Way in Fight Against Traffic Accident Phase

One of the most important phases of traffic accident prevention is that of public education: education in the sense of creating an awareness of traffic hazards. Unless motorists are aware of the inherent dangers in driving they cannot hope to survive for long today's heavy traffic without an accident.

For many years the Texas Safety Association, the National Safety Council and many other safety groups have hammered away at this public education, awareness theme. During this time, newspapers have been the principal media for the dissemination of accident prevention information, with radio, magazines and television following in close order.

How well have you followed this education process in the columns of The Herald?

The answer can be found in the results of the following quiz. Your answers may also determine "your own awareness," thus the degree of safety in your traffic future.

Questions:

1. What are the leading causes of traffic accidents in the state of Texas?
2. What is "jay walking," and why should it be prohibited?
3. What is the automobile speed limit in Texas? (a) Daytime? (b) Nighttime?
4. What is the cause of practically all railroad grade crossing accidents?
5. What five principal qualifications does a careful and safe driver possess?
6. What are drivers' arm signals for turning, slowing or stopping?
7. What is the braking distance of your car, on dry pavement, at: 30 miles per hour; and 50 miles per hour?
8. Are there more than 4,000,000

or less than 4,000,000 motor vehicles registered in Texas?

9. How many persons were killed in Texas' traffic accidents in 1957? How many injured?

10. Was the cost of all Texas traffic accidents during 1957 more than or less than \$300,000,000.

Answers:

1. Driving too fast for conditions; driving while intoxicated; disregard of warning or stop signs; driving on the wrong side of the road; did not have right-of-way.
2. Crossing the street at a point other than designated cross walks.
3. (a) 60 miles per hour; (b) 55 miles per hour.
4. Failure to heed the warning to stop, look and listen.
5. Courtesy; realization of the sacredness of human life; knowledge of the safety limitations of a motor vehicle; attention to maintaining car under control at all times; familiarity with traffic laws and safe rules of the road.
6. A safe driver gives distinct signals by extending his arm well out of the car and bending the arm and hand: Down for slowing or stopping; straight out for left turns or when pulling away from curbs; upward for right turns.
7. One hundred feet for 30 miles per hour; 243 feet for 50 miles per hour.

"Do I Have to Suffer All My Life Just Because I'm a Woman?"

Not today, women don't have to bear a special cross of agony! Girl or grandma, a special tablet can bring blessed relief from "female miseries!" "Female suffering" need never occur again for most women—not at any age! You can be free from the misery, young and old used to dread! With Pinkham's Tablets you can have wonderful relief all through your life! Pinkham's unique formula was

developed especially for women's ailments. Includes blood-building iron! In doctors' tests, 3 out of 4 didn't suffer monthly cramps, backaches. Later during change-of-life, "hot flashes" subside. Even after menopause, Pinkham's Tablets help build strength-giving blood! Get amazing Lydia E. Pinkham's Tablets from druggist. 22¢ a box. 60¢ for 3 boxes. You can get an answer to your life!

Electric COOKING COSTS LESS THAN 3¢ A MEAL

YOU COOK BETTER... LIVE BETTER... *Electrically*

You'll feel like singing in your kitchen... when you cook with a new automatic Frigidaire electric range.

There's more leisure time for you because your automatic timer and temperature control takes the guess work out of cooking... starts and stops oven and surface units so that you don't even have to watch food cook. And so inexpensive... to cook the modern, clean, electric way costs the average family served by WTU about \$2.34 a month.

Why put it off? Cook and Live Better Electrically.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

Austin.—Austin is up to its ears in opinions and pronouncements as the pre-legislative debate of state issues blows through the city.

Taxes and schools are leading topics.

Committees, study groups, and associations, both public and private, come to town, hold a meeting, hear speakers and usually make some resolutions. They are part of the sifting, sounding out and solidifying of thinking that precedes a legislative session.

On Second Thought, Yes.—Hale-Aikin committee considered and reversed its previous stand that Texas schools should not take federal aid for lunch rooms and vocational education.

New statement, passed 11 to 8, was offered by Ed Ray, San Antonio Express-News editor. It affirmed the committee's belief in state control of education but said it did not feel this would be best by accepting federal aid for lunches, vocational education and for large numbers of children brought into a district by federal activities. It also endorsed the desirability of the federally financed activities covered by the national defense education act.

The Hale-Aikin committee of 24 lawmakers, educators and other citizens was set up by the Legislature to advise it on public school needs and problems. Some six weeks ago it stirred up a hornet's nest by recommending that Texas quit accepting several million dollars a year in federal school aid. Arguments pro and con flared over the state, and many legislators were rendered uncomfortable by the necessity to take a stand. In many cases the lawmakers disapproved federal centralization in principle but were hesitant to get in a position where they might be accused of taking milk from the school kids.

Hale-Aikin committee also gave final approval to a recommended program of public school improvements. It would raise school costs by about \$112,000,000 a year—mostly for teacher salary raises, sick leave, building upkeep and transportation.

Calls for Big Tax.—A meeting of the Texas Association of School Boards was the sounding board for more ideas on school financing.

Only a state income tax or general sales tax can produce enough revenue to cover school program improvements, a spokesman for the Texas State Teachers Association told the meeting.

TSTA-man L. P. Sturgeon said other taxes proposed thus far would hardly get the state treasury out of the hole, let alone cover new needs.

School board members also

heard Dr. B. F. Pittenger, one-time dean of the University of Texas college of education, say he had felt for 30 years that public schools need "a considerable amount of federal aid."

Also urged by Dr. Pittenger: More discipline in schools, more attention to students "most highly endowed with brains."

No Fat, They Say.—Governor Price Daniel's request that state department heads try to pare down their budget requests for the next two years brought no dramatic tax-saving slashes.

General reaction of the department heads was that they were already being as economical as they could be and still maintain the service expected of them.

Altogether the requests totaled \$225,000,000 more than is being spent during the present two-year period. But some are indeed "not cuttable" under present law. Biggest increase, some \$90,000,000, is for public schools whose costs go up automatically with the number of students. Similar unavoidable increases occur in welfare, highway and retirements costs.

In other areas department heads declare there is "no fat" in their budgets.

Formula for Colleges.—Commission on Higher Education has adopted two major policies on division of studies and funds among the state's 18 colleges and universities.

One is a plan for study program which concentrates on graduate study, especially for PhDs, at Texas A. & M. and the University of Texas. Other is a formula for raking in appropriations based on the number of semester hours taught.

Officials of UT, A. & M. and Texas Tech did not oppose the money formula, but indicated they would need additional funds to maintain desired standards of quality.

It's a Long Story.—More insurance legislation and possibly more grand jury action may result from the reports of the Senate investigating committee.

Senator Charles Herring, chair man, released the first of five reports on the committee's findings. It dealt with the means by which ICT Insurance Company rose and fell. Herring said testimony suggested that some people not indicted should be called before grand juries. There was, he said, conflicting testimony, under oath, indicating perjury.

Recommendations for new legislation are to be included in the last report, due in December. Testimony on which the reports are based totaled 4,000,000 words, enough to fill 40 long books. This

may not be all since the committee is to meet again in November.

Panel members, in addition to Herring, are Senators Grady Hazelwood of Amarillo, Jarrard Secrest of Temple, Culp Krueger of El Campo and Frank Owen III of El Paso.

Out of the Woods.—Texas Employment Commission officials took a look at steadily improving employment figures, then at the still substantial unemployment compensation fund and breathed a sigh of relief.

This recession, at least, hadn't broken the bank.

A year of high unemployment had taken \$6,000,000 from the fund, but it still had \$272,523,000. It was only \$30,700,000 lower than at the beginning of the recession year.

It was in October, 1957, that the upsurge in joblessness began. In the first week of that month benefits paid out totaled \$84,617. From then figures moved swiftly upward until the mid-April peak when \$1,875,000 was paid out in one week, nearly four times as much as the pre-recession figure.

Steady improvement began in the summer months. By this October the cycle is not back to its starting point, but latest report shows \$1,099,201 paid out in one week.

But with new claims falling sharply and economists generally agreed that the recession was fizzling, it seemed as if the dark period were over.

KERRY DRAKE

Nurses of County Go To Dallas State Meet

Licensed Vocational Nurses Association of Jones County was represented recently at the state convention in Dallas by Mrs. Llera Drummond and Mrs. Eunice Rainwater, both of Anson, Erma Wallace of Hamlin, Frances Boone and Billie Lett of Stamford.

Outstanding authorities in the nursing and medical field were featured on the two-day program. The Jones County attendants will report on the convention at the next regular meeting of the NLVA group at Anson on the evening of November 20 at Anson.

ASK POP, HE KNOWS.

Young Hopeful—"Pa, what do standing armies sit on when they are tired?"
Father—"The seat of war, my son."

James E. Terrell, Son Of Hamlin Man, Ends Army Missile Course

Army Reserve Second Lieutenant James E. Terrell, son of Mrs. Lula B. Bentley, 1408 East Everglade in Odessa, recently completed the 15-week surface-to-air guided missile officer basic course at the Army Air Defense School at Fort Bliss, according to a release from the base to The Herald.

Lieutenant Terrell received instruction in theoretical and practical aspects of guided missiles and in air defense tactics.

The 21-year-old officer is a 1953 graduate of Odessa High School and a 1957 graduate of Texas A. & M. College. He was formerly employed by the Humble Oil & Refining Company at Snyder. His wife, Lou Ann, lives at El Paso. His father, S. F. Terrell, lives at Hamlin.

Big Premiums Posted For Fort Worth Show

More than 5,000 livestock premium lists for the 1959 Southwestern Exposition and Fat Stock Show are being mailed to livestock exhibitors, potential exhibitors and other interested persons throughout the nation, says a release to The Herald this week.

The Fort Worth show will offer about \$195,000 in prize money for entries in the livestock division, the horse show and rodeo. Premium lists for the horse show will be mailed at a later date. Dates for the exposition are January 30 through February 8.

COMPLETE COLLECTION.

"You have a splendid collection of mounted fish—but what are the empty panels for?"
"Oh, those are some that got away."

RECOMMENDATION.

Doctor—"Did you go to another doctor before you came to me?"

Patient—"No, I went to a drug-

gist."

Doctor—"Ad what foolish advice did he give you?"

Patient—"He told me to come to you."

James Boyd Named To Who's Who Spot By McMurtry College

James Boyd, a senior at McMurtry College, has been named to Who's Who Among Students in American Universities and Colleges for the 1958-59 school term, according to a release.

Boyd was one of 18 students recommended to the Who's Who committee by officials of McMurtry College, and was chosen in a school-wide election.

Boyd is the son of Mr. and Mrs. R. I. Boyd of Hamlin. A graduate of Hamlin High School, he claimed such high school honors as football and basketball letters and served as president of the Student Council.

On the reservation, football honors have been his, he was chosen as junior class favorite senate member and Student Council member.

Pied Pipers Go to Anson for Final Grid Game Friday Night

Big Crowd of Fans Will Follow Squad to Game

Last football game on the 1958 menu of the Hamlin High School Pied Pipers will be reeled off Friday night at the Jones County seat between probably to two most evenly matched teams in the District 6-AA loop. Principals in the traces will be Anson Tigers and the Hamlin Pied Pipers.

Although the game will not decide much in the conference race, Stamford having already clinched the championship, the two squads will be fighting all the way.

It will be homecoming time for Anson High School exes—and the charges of Coaches D. C. Andrews and Jimmy Vaughn are out to mess up the football show for the Anson boys.

Pied Piper Booster Club is sponsoring a caravan to the game, cars to meet in front of HHS not later than 6:30, where they will be decorated by girls of the Pep Squad.

DePriest Coaches Go To Coleman Session

Coach Roosevelt Jones and Principal E. S. Morgan of DePriest Colored School are scheduled to go to Coleman November 16 to attend a conference of coaches and officials of colored schools of the area.

The group will arrange basketball schedules for boys' and girls' teams, and also make preliminary arrangements for the Interscholastic League contests for participating schools.

STAMFORD

APPLIANCES—TRACTORS

DISTRICT 6-AA STANDINGS

Next-to-last report of standings in the football race of teams in District 6-AA held about the same rankings as the previous week when all five teams were playing. The ratings stacked up like this:

SEASON STANDINGS						
Teams—	P.	W.	L.	T.	Pct	
Stamford	9	8	1	0	.889	
Haskell	10	6	3	1	.650	
Seymour	9	5	4	0	.556	
Hamlin	9	4	5	0	.445	
Anson	9	1	7	1	.167	

DISTRICT STANDINGS						
Teams—	P.	W.	L.	T.	Pct	
Stamford	3	3	0	0	1.000	
Haskell	4	3	1	0	.750	
Anson	3	1	2	0	.333	
Seymour	3	1	2	0	.333	
Hamlin	3	0	3	0	.000	

Results Last Week:
Stamford 47, Hamlin 12.
Haskell 20, Anson 8.
Seymour 12, Nocona 8.
Where They Play Friday:
Hamlin at Anson.
Seymour at Stamford.
Haskell—All games played.

Hobbs Panthers Beat McCaulley by 31 to 13

Hobbs High School Panthers took the measure Friday night of the McCaulley Eagles gridders in a six-man District 4 football game by a 31 to 13 score Friday night at Hobbs.

Herman Adams and Buster Wright scored two touchdowns each for Hobbs. Micky Templeton made one touchdown and Dewey Reep scored an extra point. Jerry Jeffries tallied all 13 McCaulley points.

Hobbs now has a three won, one lost and one tied record. The Eagles have not won a conference game in five starts.

Brandon, Martin And Shields Made Players of Week

Harry Bob Martin and Tobe Shields were named co-linemen of the week and Robert Brandon was selected as back of the week when members of the Hamlin Pied Piper Booster Club voted Monday evening 60 nominees for the places.

The three members of the Hamlin High School Pied Piper football squad were selected for their performances of offense and defense in the Stamford-Hamlin tilt Friday night, based on a witnessing the game and watching films of the game Monday evening.

Players of the week will be named by the Booster Club after Friday night's game at Anson, announces Duane Stallcup, president of the booster group. The club hopes to continue the players-of-the-week plan next year, when awards will be presented the players, Stallcup said.

The booster group Monday night also heard a scouting report by Neil Laminack, and witnessed a film of the Stamford-Hamlin game Friday night.

Non-League Cage Games Set for Juniors

Arrangement of several non-conference basketball games for basketball teams of Hamlin Junior High School cagers was this week announced by Principal Marvin Carlton.

The following games have so far been arranged before the conference play begins on January 12.

November 24—Hamlin at Rotan.
December 1—Hamlin at Avoca.
December 8—Rotan at Hamlin.
December 15—Avoca at Hamlin.

WHAT'S HAPPENING OUT THERE—The chilly temperature of a November evening didn't mean a thing to little Olivia Osborn as she watched the proceedings of a football rally and bonfire in Fort Worth from her warm spot in company with her father, Osborn Duke, assistant professor of English at Texas Christian University, and her mother. Several fans from the Hamlin area attended the football game that followed the rally.

Stamford Given Trouble by Pipers In 47 to 12 Victory

Stamford's rampaging Bulldogs did the expected Friday night in trimming the Hamlin Pied Pipers 47 to 12 to clinch the District 6-AA conference crown—but the visitors found the going tougher at Hamlin than with any other loop contender this season.

The Bulldogs made 15 first downs to 12 for the home team. Although they racked up 201 yards on ground offense to 52 yards for the Pied Pipers, the Hamlin crew connected with five of 16 pass flings for 145 yards to only 95 yards in the air for the Bulldogs.

Fred Upshaw started the first quarter scoring spree by tossing to Ronnie Weeks for six yards. Tailback Donald Davis went 36 yards up the middle for the second marker. Upshaw intercepted a pass and lateraled to Tab Bunkley who went 22 yards to pay dirt, and Roy Sconce took a pass good for 20 yards and a touchdown. Upshaw passed to Weeks for two extra points and Lindsey kicked two more points after touchdowns.

Stamford scored twice more in the second period on a pass interception by Davis who ran 25 yards to pay dirt, and on a nine-yard end run by Tailback Max Moudy. Lindsey kicked an extra point.

Hamlin marked up a tally in the third period when Robert Brandon took a pass and streaked 11 yards for a touchdown. The extra point try failed.

The Bulldogs scored again in that same period when Charlie Helmer went 44 yards for a tally. Extra point try failed.

Hamlin completed the scoring in the fourth quarter on a 42-yard brother-to-brother pass when Ed Shields flipped to Tobe Shields and carried to the six-yard spot, then Sam Hodges plunged over for the score. Extra point try again failed.

Anson Juniors Push Mighty Mice to Third Place in 20 to 6 Win

Anson Junior High School's Cubs won the battle for second place in defeating the Hamlin Mighty Mice here Tuesday night by a 20 to 6 score. Hamlin held a 6 to 0 halftime lead, but saw it quickly fade early in the third quarter.

Dan Newberry plunged for one-half yard for the Hamlin tally in the second quarter. Van Newberry was thrown for a loss on the extra point try.

Anson scored early in the third quarter on a screen pass. Immediately after the touchdown they scored again when Sanders intercepted a Hamlin pass and raced for a score. After stopping the Mice on their 20-yard line on a fumble, Sanders raced 50 yards for the final Anson score.

Outstanding on offense for Hamlin were Raymond Renfro, Dan and Van Newberry, Larry Blackwell and Mike Martin. Playing a good game in the line were Barry Moore, Mark Smith and Larry Stephens.

Seventh Graders Play Anson Squad Today

Hamlin seventh graders will play the Anson Junior High School seventh graders on the Pied Piper griddle this (Thursday) afternoon at 4:00 o'clock, Coach Harry Martin announces.

The seventh grade gridders have shaped into a formidable football crew, although the number coming out has been on the few side. Martin reports.

No admission charge will be made for today's game, and the public is invited.

Passenger car advertisers invested over 13 per cent more in newspaper advertising in 1957 than in the previous year.

DePriest School Cage Teams Start Practice

Daily work-outs are being conducted at DePriest Colored School in Hamlin by both boys' and girls' basketball groups, declares E. S. Morgan, principal.

The boys, under coaching of Roosevelt Jones, have several returning regulars around which to build a good team. The girls squad, however, has an almost new personnel, Morgan reports, but they are showing up fairly well.

First matched play of the DePriest cagers is scheduled December 2 at Colorado City, with both boys' and girls' teams taking the courts.

The Herald has carbon paper.

Stamford Clinches District 6-AA Grid Crown with Victory Over Pied Piper

The football season was almost rounded out last week-end in District 6-AA as all five teams in the loop played—four teams ripping off conference games and Seymour going to Nocona for their last non-conference bout.

Haskell's Indians did the expected in snowing under the Anson Tigers by a 20 to 8 score; Stamford's Bulldogs had a rougher time with Hamlin than with any other district foe so far by taking a 47 to 12 decision; and Seymour knocked over the Nocona Indians by a 12 to 8 decision.

Haskell routed the Anson crew worse than the score indicated in the tilt played on the Haskell gridiron. The Indians rolled up 20 first downs to Anson's three, and racked up 293 yards on the ground and 42 in the air to 87 yards on the ground and 35 yards passing for the Tigers. It was the Indians' last game of the season, their having won six games, lost three and tied one. They lost only to Stamford in the district race.

Scoring for Haskell were Lynn Pace, who took a pass from Quarterback Erby Wolfe; Eugene Mullins scored twice for Haskell in the fourth period, going five yards for the first and eight yards, on the second after a fumble recovery. David Propst scored for Anson in the last period on a pass from Dorman Scott that was good for 35 yards. Freddie Adkins ran over the extra points.

In Stamford's defeat of the Pied Pipers on the Piper field the Bulldogs made 15 first downs to 12 for Hamlin. However, the visitors rolled up 201 yards rushing to only 52 for the Pied Pipers, and made 95 yards in completing five of 21 aerials, while the Hamlin boys gained 145 yards on five completions of 15 pass tries. Stamford scored four touchdowns in the first period. Ronnie Weeks, Donald Davis, Tab Bunkley and Roy Sconce making the tallies. The Bulldogs scored twice more in the second and again in the third period. Robert Brandon scored for the Pied Pipers to the third period

Mighty Mice Retain Third Place Standing in Grid Conference

Mighty Mice gridders of Hamlin Junior High School maintained their post of third place in the conference standings after last week's tilts. The ratings looked something like this:

CONFERENCE STANDINGS						
Teams—	P.	W.	L.	T.	Pct.	
Albany	5	4	0	1	.90	
Anson	4	3	1	0	.75	
Hamlin	6	2	3	1	.41	
Merkel	5	0	5	0	.00	

Results of Recent Games:
Games played October 28—Anson 28, Haskell 14; Albany 43, Clyde 0; Hamlin 48, Merkel 6.
Games played November 4—Anson 20, Hamlin 6; Albany 28, Merkel 16.

Games Scheduled November 11
Anson at Albany.
Hamlin at Haskell.
Trent at Merkel.

COAST TO COAST ONLY 1½ CENTS PER MILE FOR GAS!

Pontiac's new Tempest 420E V-8 sets the year's most important economy mark—Here's the story and what it means to you!

We asked one of America's most respected car testers—"Uncle Tom" McCall—to put a standard Pontiac Catalina Sedan with our new economy V-8 to the test.

And with only one specification—that the run would be exactly like you would drive coast to coast yourself—in mountains, in city traffic, across deserts, buying gas wherever the tank ran low.

And here's the phenomenal story in every complete detail—all officially certified by NASCAR, America's top automobile competition authority.

What does it mean to you?

Simply—and very importantly—this: For the first time, you can get deep-chested V-8 pep with better mileage than from many smaller so-called "economy cars" . . . and get it on regular fuel!

If you owned a Pontiac with this new Tempest 420E V-8 you'd be saving up to 5 cents a gallon on regular fuel. This new economy V-8 is optional at no extra cost on any Hydra-Matic Pontiac!

See your Pontiac dealer soon—and discover the newest in V-8 performance and economy!

Cross Roads Baptist Church, West of Hamlin, Wins State Award at Session

Cross Roads Baptist Church between Hamlin and Rotan was named one of four state-wide winners at San Antonio last Monday night in the annual church achievement program sponsored by the Baptist General Convention of Texas.

The church, pastored by Rev. Earl D. Hord, was named first place winner in the program's community improvement division

before nearly 5,000 messengers attending the opening session of the seventy-third annual BGCT meeting in San Antonio's municipal auditorium.

First place winner in all divisions was the First Baptist Church of Mullin.

Divided into three categories, the program is judged on projects designed to build a better church, community and world.

Other awards went to the First Baptist Church of Balmorhea of which Rev. Jimmy Wilson is pastor, world improvement; and the First Baptist Church of Canton, of which Rev. Maynard Rogers is pastor, church improvement.

Earlier the Cross Roads church was named District 17 winner and won the state title in competition with 17 other district winners over the state.

Winning pastors received parchment scrolls, the church metal plaques. More than 414 Texas Baptist churches participated in the program this year.

To win the community improvement division the church conducted a religious census of the community, locating numerous families in need of food and clothing. Members and distributed clothing, and earned food for the families.

A mothers' march on polio collected more than \$80 for the March of Dimes. Spanish language New Testaments were distributed to Latin Americans living in the area and to Mexican braceros during the labor season.

When two area farmers became ill, church members pitched in to help cultivate their crops. Another family was given clothing and furniture when their home and possessions were destroyed by fire.

Horace Carter directed the community improvement phase of the church's program. Mrs. Glenn Phillips was general chairman of the program.

The achievement program is designed to stimulate interest in rural church work and to recognize outstanding achievements by pastors and churches.

Through the fine cooperation of the public during recent years Postmaster Sparks reports that great progress has been made in getting the Christmas mails through on time. He is making many advance preparations to handle the 1958 Christmas mail rush, with extra facilities all around.

Early Schedule Lets DePriest Pupils Work

DePriest Colored School in Hamlin is operating on a nearly schedule now in order to deliver early and permit parents to take their children to school. Reports E. S. Morgan, principal.

Classes are begun at 8 each morning. The noon hour is cut to 30 minutes, and dismissed at 2:30 p. m. Morgan says this schedule will be maintained until the cotton harvest is over.

No matter how fast you are going, the fellow who passes you is a "reckless driver."

Fort Worth Session To Discuss Animal Diseases of Region

An important area-wide meeting to discuss ways of controlling costly animal diseases will be held November 20 at the Texas Hotel in Fort Worth, according to C. E. Gregory of Hamlin, president of the Jones County Farm Bureau. A number of farmers and ranchers of the region are slated to attend.

The country agricultural leader urged all livestock and poultry producers to attend the one-day session, which starts at 9:30 a. m. The meeting is one of six being held over the state under the sponsorship of the Texas Animal Health Council, a state-wide organization composed of 30 livestock and agricultural groups.

Purpos of the meeting is to bring the facts of the serious animal disease problem to all producers in the state. Two widely known animal disease control experts will be speakers. Dr. L. R. Noyes of Fort Worth, executive director of the Texas Livestock Sanitary Commission, will explain the animal disease situation in Texas. Dr. John L. Wilbur Jr. of Fort Worth, veterinarian in charge of the Texas Animal Health Division of the U. S. Department of Agriculture, will discuss what is being done by the state and federal governments to control diseases in livestock and poultry.

Other speakers include C. G. Scruggs of Dallas, associate editor of The Progressive Farmer magazine and secretary of the council; Harold Nelson, president of the Texas Milk Producers Federation and chairman of the council; and C. H. DeVaney, vice president of the Texas Farm Bureau.

When he arrived in Honduras Mr. LaFon was stationed at San Marcos de Colon, where he supervised the Assemblies of God work in Southern Honduras.

In June, 1955, he moved to Santa Rosa de Copan and served as director of the Bible School, where nationals are trained to minister to their own people.

Mr. LaFon also served as the national Sunday School representative for Honduras. In this capacity he promoted Sunday School work and assisted his nationals in evangelizing, opening up Sunday Schools and building churches.

Prior to going to Central America Mr. LaFon pastored several churches in Mississippi and Texas. He is a graduate of Southwestern Bible Institute in Waxahatchie and Mississippi Southern College at Hattiesburg, Mississippi.

After his furlough Mr. LaFon plans to return to Honduras. He is now visiting various churches of the Assemblies of God presenting the needs of the work in Honduras.

Rev. Miller extends a cordial invitation to the public to hear Mr. LaFon in the service, which will begin at 7:00 p. m.

Cotton Production to Be Topic at Meeting

A group of 18 speakers from across the nation will gather at Houston December 17 and 18 for the Belt-wide Cotton Production Conference program centered on "growing cotton for profit and markets." Several cotton men of the Hamlin section are expected to attend.

The meeting is expected to attract some 800 to 900 scientists, educators, researchers and members of the cotton and agricultural chemical industries. It is being sponsored by the National Cotton Council in cooperation with other groups.

In order to obtain the most benefit from winter peas or hairy vetch, it is necessary to inoculate the seed. This is very simple, and one can of inoculant will inoculate 100 pounds of seed.

Anyone desiring more information concerning cover crops may obtain it by contacting your local county extension agent or Soil Conservation Service technicians.

THE FOUR-PASSENGER THUNDERBIRD, which set a new standard of elegance for American cars in 1958, is shown here in an international atmosphere before the Place Belgique Reception Hall at the Brussels World's Fair. The 1958 Thunderbird, on display now at the Hamlin Motor Company, with re-styled grille and bright metal spears on the side panel projects, retain the same basic lines that made it the most successfully styled car in America.

Missionary to Be Speaker Sunday at Assembly of God

Ben H. LaFon, missionary to Honduras, Central America, will be the featured speaker Sunday at the Assembly of God Church on South Central Avenue, according to an announcement by Rev. W. G. Miller, pastor of the church.

LaFon will relate some of his experiences and will tell of the progress of missions in Honduras. Mr. LaFon, with his wife, went to Central America in 1953 and spent more than four years there. He is under appointment of the foreign missions department of the Assemblies of God with headquarters in Springfield, Missouri.

When he arrived in Honduras Mr. LaFon was stationed at San Marcos de Colon, where he supervised the Assemblies of God work in Southern Honduras.

In June, 1955, he moved to Santa Rosa de Copan and served as director of the Bible School, where nationals are trained to minister to their own people.

Mr. LaFon also served as the national Sunday School representative for Honduras. In this capacity he promoted Sunday School work and assisted his nationals in evangelizing, opening up Sunday Schools and building churches.

Prior to going to Central America Mr. LaFon pastored several churches in Mississippi and Texas. He is a graduate of Southwestern Bible Institute in Waxahatchie and Mississippi Southern College at Hattiesburg, Mississippi.

After his furlough Mr. LaFon plans to return to Honduras. He is now visiting various churches of the Assemblies of God presenting the needs of the work in Honduras.

Rev. Miller extends a cordial invitation to the public to hear Mr. LaFon in the service, which will begin at 7:00 p. m.

Cotton Production to Be Topic at Meeting

The meeting is expected to attract some 800 to 900 scientists, educators, researchers and members of the cotton and agricultural chemical industries. It is being sponsored by the National Cotton Council in cooperation with other groups.

Two from County Due To Be Included in Draft for December

Two Jones County men, it is estimated, will be included in the state draft quota for the month of December.

The state quota for Texas draft boards in December calls for 462 men, Colonel Morris S. Schwarz, state selective service director, announced Tuesday.

The state December call to 462 compares with a quota of 556 for November, already announced. The December call is the state's share of a national quota of 11,000 men, all for the Army.

The state director of selective service also announced that 1,979 men were scheduled to take pre-induction mental and physical examinations in December.

The December quota will be filled with men who are at least 22 years old on December 1, with the exception of volunteers or draftees, who may be younger.

Men scheduled to leave for Army service in December will depart from December 1 through 9, and those going for examination are scheduled from December 1 through 17.

NEW CHICKEN TASTE.

VFW Officials Aid In Organization of Fisher Barracks

J. F. Bobeen, commander of District 2, Department of Texas of Veterans of World War I, met with deputy chief of staff of District 7 R. K. Williams of Ingram, quartermaster of District 2 Eugene Buchard; junior vice commander of District 2, Ben F. Bailey; and sergeant-at-arms of District 2, R. A. Redus of Rotan, Sunday at Rotan and organized a barracks to be known as Fisher County Barracks. The unit will meet the second Sunday in each month at 2:00 p. m. at the American Legion hall in Rotan.

A large crowd attended the organization meeting. Thirty-two names of members will go on the charter. The charter will remain open for 90 days so as to secure more members, it is announced.

The unit was organized to secure pensions for veterans and their widows and hospitalization for buddies who served in World War I with honorable discharges.

The organization is a fast growing veterans' group. There are now in Texas 78 of these barracks, having grown from 21 last July, making Texas now seventh in the nation.

J. M. Jones Dies at Age 84 at Family Residence in City

Another pioneer of the Hamlin area was called to his reward by the Grim Reaper last Friday morning when J. M. Jones, retired farmer, died at the family home, 133 Northeast Avenue A at the age of 84 years. He had been seriously ill for about three months.

The son of Mr. and Mrs. Allen Jones, the pioneer was born at Wolfe City on March 30, 1874. He married the former Leona Ruth Jones at Coleman in 1895. They had lived in this area for the past quarter of century. He was a member of the First Baptist Church of Brady, where they had lived before moving to Hamlin. Mrs. Jones died last year.

Funeral services were conducted Sunday afternoon at the Calvary Baptist Church in South Hamlin. Officiating were Rev. G. C. Henry, pastor, and Rev. Calvin Bailey, pastor of the First Baptist Church.

Burial was in the Hamlin East Cemetery under the direction of Hamlin Funeral Home. Pallbearers were Art Newcomb, Johnny Woods, L. C. Stinnett, Bun Brown and Langford McCracken.

Surviving the octogenarian are three daughters, Mrs. Myrtle Evans, Mrs. Jim Sedberry and Mrs. Lou Stinnett, all of Hamlin; one brother, Cecil Jones of San Diego, California; two sisters, Mrs. J. J. Cobb of Duncan, Oklahoma, and Mrs. Charlie Babson of Buckeye, Oregon; nine grandchildren and 16 great-grandchildren.

SILENCED HIM.

He (angrily)—"Do you believe everything every fool tells you?" She (sweetly)—"Oh, no, darling, but sometimes you do sound so plausible."

District 2, reports Bobeen, is the largest district in the department of Texas, having 37 counties. Eight barracks groups have been organized in the district.

The barracks voted to have an auxiliary unit also. Mrs. J. F. Bobeen is district president of the Ladies' Auxiliary. She will be in Rotan December 14 to organize an auxiliary to the Fisher County barracks.

HIS INSPIRATION.

"What made you a millionaire?" "Curiosity had a lot to do with it. I wanted to see if there was any income my wife couldn't live beyond."

Annual Camp Fire Girls Fund Drive Set

Annual fund drive for the Camp Fire Girls in the Hamlin territory is scheduled to begin Monday, November 24, it is announced by Mrs. Fred Vaughn, campaign director. Solicitations will be made of business firms and individuals, it is explained. There are now more than 100 girls enrolled in the Camp Fire Girls movement in the community, officials point out.

Orbie Fannin Opens Up Service Station

Orbie Fannin, long time worker at service stations in Hamlin, this week announces the reopening of the Conoco Service Station just south of the city hall on South Central Avenue. Besides handling Conoco petroleum products, Fannin will stock accessories, anti-freeze and other car needs, and do washing and lubrication.

Paul Bryan Lumber Co HAMLIN, TEXAS

YEEEEEOW—Texas mice are tough! This cross-eyed Siamese cat was a fair mouser north of the Mason-Dixon line but in the land of tough men and tougher mice, it takes a better cat than he to win. Of course, photographer Gilbert Barrera of The San Antonio Light, who arranged this feline catastrophe, admits there's more than meets the eye. But a gagman to the end, he remains gagged.

Neinda Man Catches Odd White Opossum

T. A. (Buddy) Jones of the Neinda community, south of Hamlin, was showing a white opossum in town last week-end which he had caught on his place several days ago. The animal apparently was not an albino, because it had black eyes. Jones carried the animal to Abilene first of the week, where he hoped it would be accepted at the zoo to be viewed by people who visit that menagerie. Jones reported he was having trouble in getting the queer opossum to eat during his captivity.

Advertising is not bragging. I am merely a device to show buyers where they can get more for their money.

Services Moved Up at North Central Church

New schedule of evening services has been announced for the fall and winter at North Central Avenue Baptist Church, according to the pastor, Rev. Woodrow McHugh.

Training Union each Sunday evening will be at 6:15 instead of 6:45, and evening preaching service will be at 7:30 instead of 8:00 o'clock as heretofore.

ATTEND FUNERAL OF KIN.

Mr. and Mrs. O. L. Cohorn were in Fort Worth Friday to attend the funeral of Mrs. Cohorn's sister, who died Thursday of a heart attack. She had been ill only a few minutes when death came.

Uncle Dick Allen, Resident of Area For 50 Years, Dies

Uncle Dick Allen, 88-year-old retired farmer of the McCaulley community, southwest of Hamlin, passed to his reward Sunday shortly after noon at the San Angelo Clinic Hospital, where he had been taken two days previously. He had been ill for several months previously. Uncle Dick had been a resident of this section for half a century.

Born at Austin on February 4, 1870, he was the son of Mr. and Mrs. Madison Allen. He married the former Mattie Holmes in 1897 in Williamson County, and the couple moved to this section in 1907, where they had been farming until their retirement several years ago. Mrs. Allen died in 1943. They were members of the Primitive Baptist Church.

Funeral services were conducted Tuesday afternoon at the Calvary Baptist Church in Hamlin. Officiating were Rev. G. C. Henry, pastor, and Rev. Ben Houze of Roby.

Burial was in the Mount Zion Cemetery, west of Hamlin, under the direction of Hamlin Funeral Home. Pallbearers were W. B. Dobbins, Ray Huling, Red Myers, Roy Cooper, John Sumrall and Willie Wardell.

Surviving the pioneer are two sons, Frank Allen of McCaulley and Claude Allen of Iraan; three daughters, Mrs. Bertha Smith of Dallas, Mrs. Ollie Mae Warlick of Monroe, Louisiana, and Mrs. Ruby Cooper of San Angelo; three sisters, Mrs. Jay Howell of Slaton, Mrs. Noma Lawler of Cross Plains and Mrs. Belle Lockard of Amarillo; 11 grandchildren and 12 great-grandchildren.

North Side Singing Set in Hamlin Sunday

Regular meeting of the Jones County North Side singing will be held Sunday afternoon at the Calvary Baptist Church, on South Central Avenue, in Hamlin.

The songfest will get underway at 2:00 o'clock, say singing promoters, who extend an invitation to the public to attend.

WINS SCHOOL ROSE—Mr. Charles White, negro civic leader, becomes the first negro member of the Houston school board after defeating two other candidates in the general election.

Hamlin Church Folks Go to San Antonio For State Convention

Rev. and Mrs. G. C. Henry, accompanied by Mrs. James Woods and perhaps one or two others, will leave Monday for San Antonio to attend the fifty-eighth annual session of the Baptist Missionary Association of Texas. Rev. Henry, pastor of the Calvary Baptist Church of Hamlin, with Mrs. Henry will serve as messengers from Calvary Church.

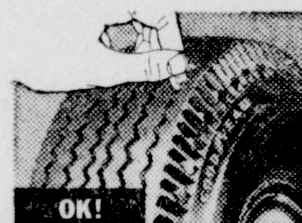

More than 1,000 messengers and visitors from several hundred churches in Texas are expected to attend this meeting. The Baptist Missionary Association is the second largest organized body of Baptist churches in Texas. The body sponsors mission work on a local, state national and foreign basis as well as Jacksonville College at Jacksonville, Texas Baptist Orphanage at Waxahachie, Christian Education at Dallas and other branches of work. Also Baptist Progress of Dallas is their weekly publication, and the Baptist Book Center at 426 West Jefferson in Dallas is their book store.

Film at Ferguson To Feature Actual Sinking of Big Sub

Whenever Hollywood films a story involving boats or ships, Glen Galvin, a husky former football player from the University of Southern California, is one of the first signed on for the crew—the movie crew, that is.

Glen Galvin is an under-water handyman—and one of MGM's handiest. When he enters the water he's ready for work and his concern is construction, repair and disrepair of the sets necessary for any sequence that takes place in and around aqua pura, from a glassful to a tankful to an oceanful.

His current assignment, MGM's Glenn Ford-Ernest Borgnine costarring film, "Torpedo Run," for which he aided in the rigging of a submarine being sunk in action, proved one of the most expensive and hazardous jobs of his entire water career.

"A complete-in-every-detail sub was built for this picture and suspended on cables over the 90x90-foot tank on one of the stages," he explains. "When the sub was hit by a depth charge, it had to sink with all men on board. One under-water mistake on my part and they wouldn't have escaped, even though the script called for it. I had to see that every nut and bolt was exactly adjusted every hatch easy to open despite the tremendous pressure of 231,432 gallons of water."

The thrilling film plays next Wednesday, Thursday and Friday, November 19, 20 and 21, at the Ferguson Theater.

Prince Albert, consort of Britain's Queen Victoria, died of typhoid fever in 1861.

Work Being Shown By DePriest Schools For Education Week

American Education Week being observed this week at DePriest Colored Schools in Hamlin, according to E. S. Morgan, principal of the school.

Work samples and demonstrations are being displayed in the rooms at the school, and the public is invited to view the exhibitions, the principal declares.

DRIVERS, KEEP ALERT

Indian summer calls us to enter the out-of-doors to the fullest before winter overtakes us. The family will like motoring trips on the open road and along wooded country lanes. Hikers will be stimulated by the invigorating and the autumn glory of nature. Driving or walking, kept alert to your safety in traffic advise the Texas Safety Association.

This 4-door Hardtop Cruiser is the luxurious Park Lane by Mercury. Also available in the distinctive Montclair and the popular Monterey series.

The brand NEW '59 MERCURY shows you what NEW really means

Americans are looking at the new cars with a new look in their eyes. They're searching for the best combination of all the things that count in a car. The answer in 1959 comes from this completely new 20th Anniversary Mercury.

SEE NEW CLEAN-DYNAMIC STYLING

Distinctive—Mercury has exclusive body design; it is the only car in its class that does not use a body shared by a low-priced car.

RELAX IN A NEW KIND OF COMFORT

No car in its class has more usable room. For easier entrance, doors are wider than those of costliest cars. Up front...9 inches more knee room! The tunnel-hump in the floor HAS BEEN CUT IN HALF! The man in the middle doesn't

sit with his chin on his knees. And that lower hump makes room for thicker seat cushions.

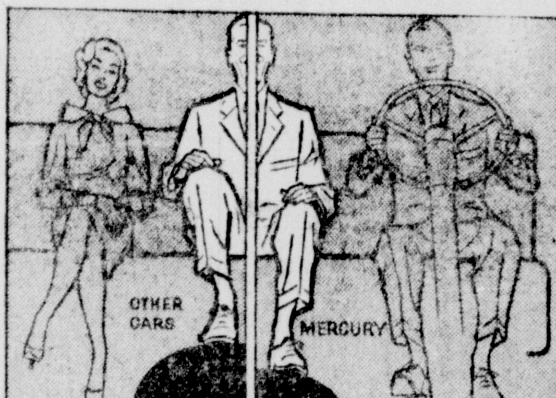

FEEL LIVELY NEW PERFORMANCE

Not just high horsepower...although Mercury offers up to 345—but a new kind of response, quiet, obedient, effortless.

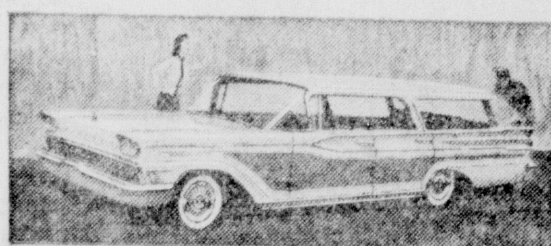

ENJOY NEW ECONOMIES

2 out of 3 new-car buyers can afford Mercury. The big special is the Monterey with its new Economy Engine. You get top performance on regular (not premium) gas—it's like "riding free" 10 miles out of every 100.

Add it up and you get everything you want on wheels—the '59 Mercury. We invite you to try this great car...at our showroom.

NEW COMFORT UP FRONT! That tunnel-hump you'll find on other '59 cars is 50% smaller in Mercury. 3 full-size riders can stretch out (including the man in the middle).

MERCURY'S COUNTRY CRUISERS...Unique hardtop styling. Retractable rear window. Fold-away 3rd seat that faces front. Concealed package compartment.

MERCURY'S FIRST WITH SIDE-TO-SIDE WIPERS...They clear a 42% larger area—a 5-foot swath—including the center section. Only Mercury has this aid to safer driving.

Everything you want on wheels

- NEW STYLING
- NEW COMFORT
- NEW PERFORMANCE
- NEW ECONOMY

All beautifully combined in the 20th Anniversary

MERCURY BUILT TO LEAD...BUILT TO LAST
